Everything that is ...

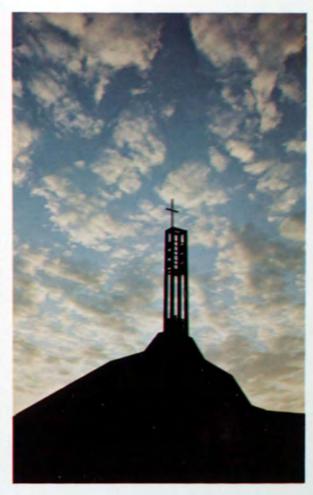

... shall pass.

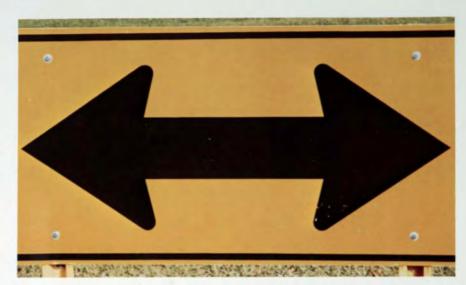

But once in awhile we retrace our steps,

Trying to regain the happiness once felt

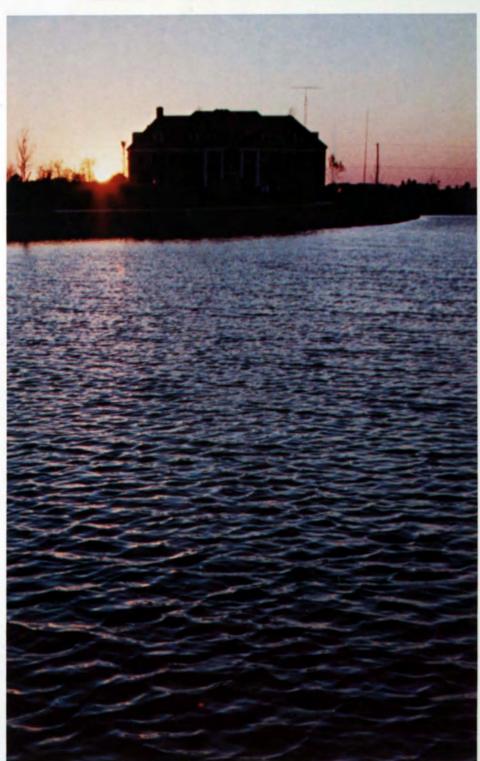

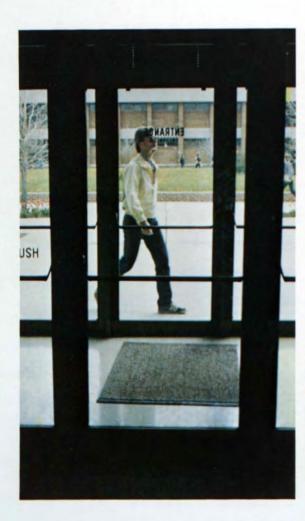

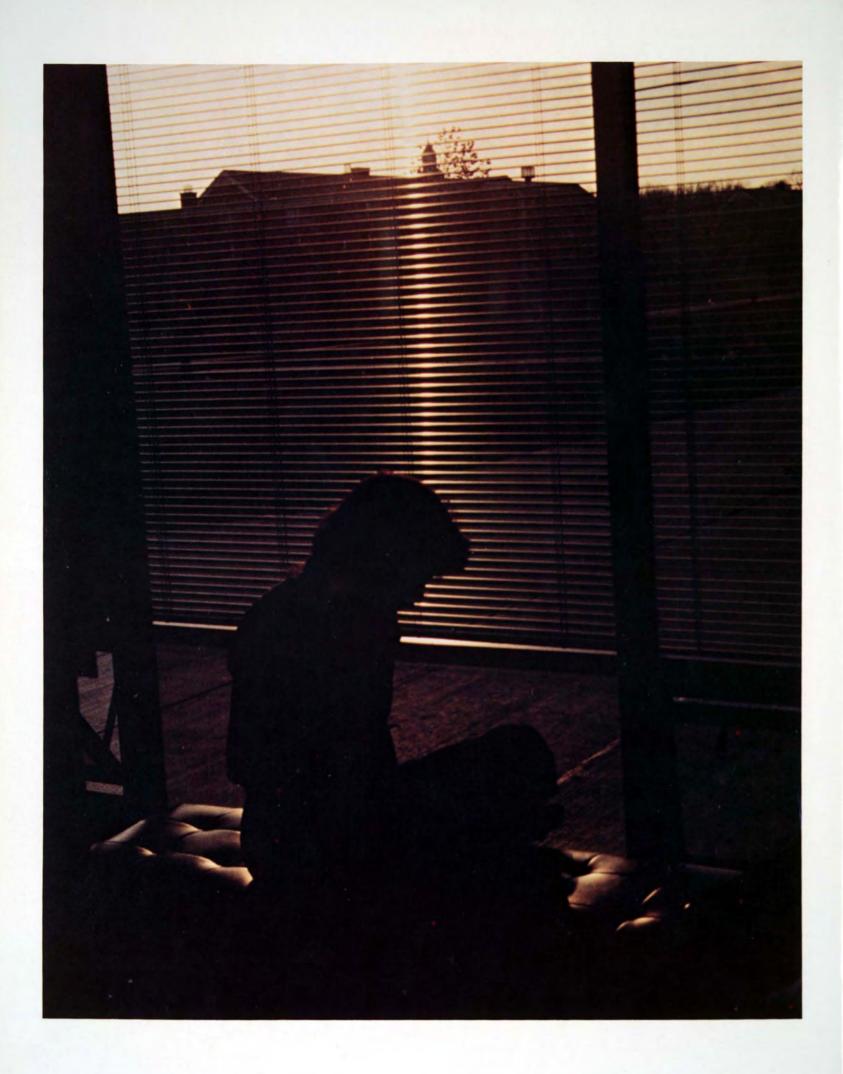

In a certain place, at a certain time;

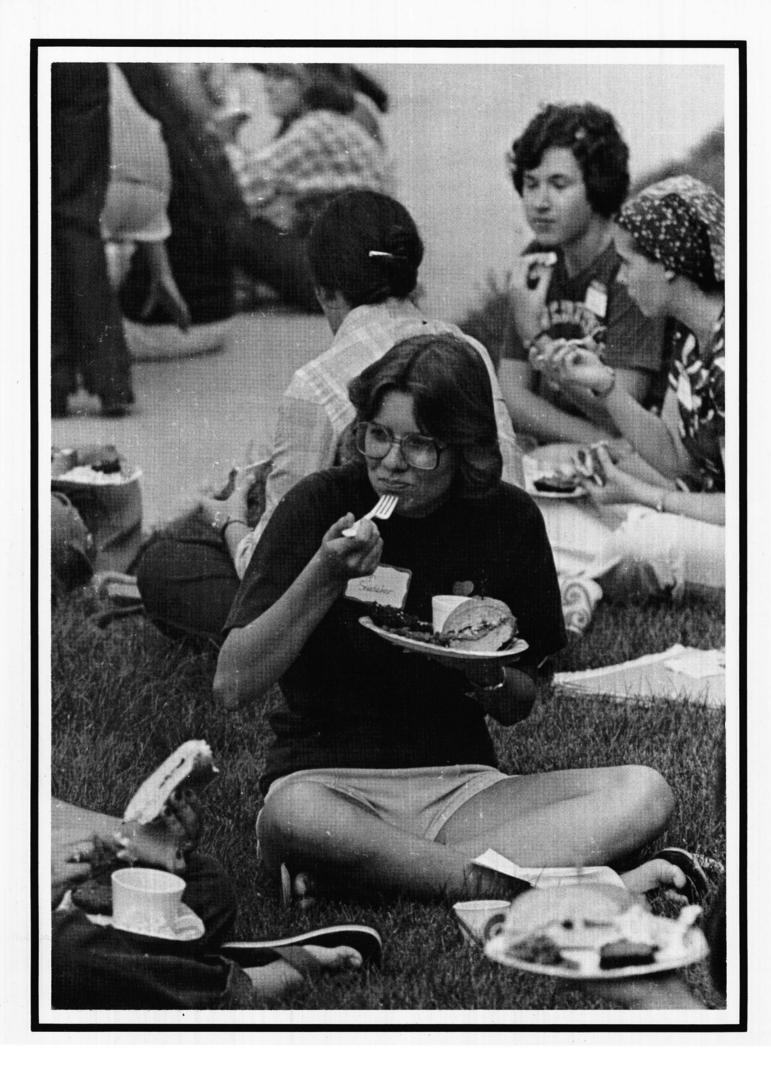

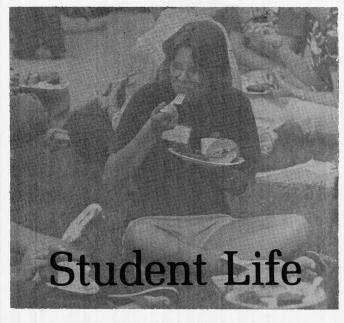

This is one of those times.

D. E. Hardington

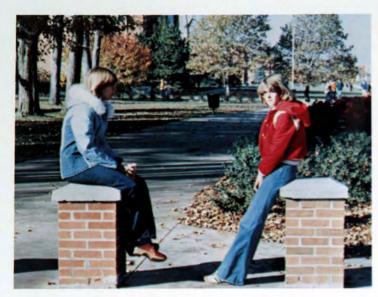

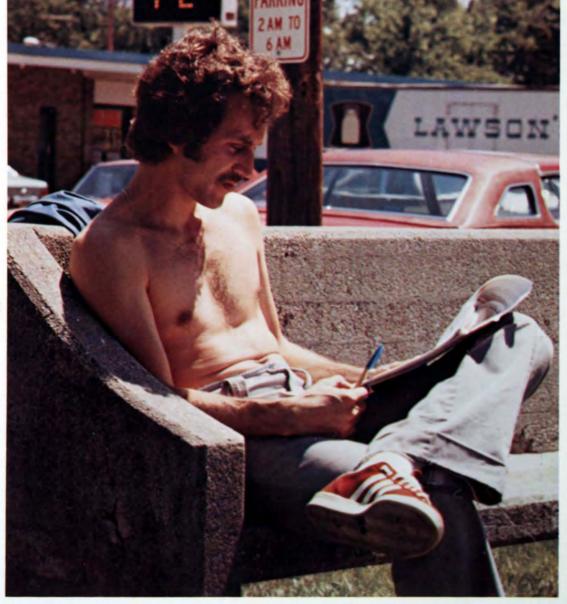

Parents Come to ONU

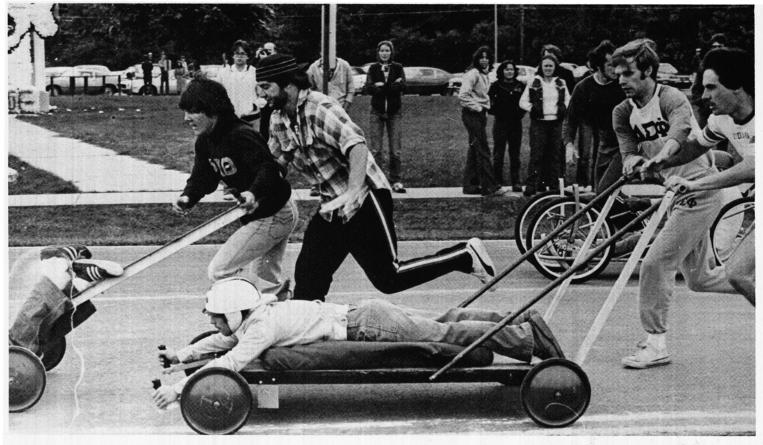

Fast Wheels, Football, and Flagpoles

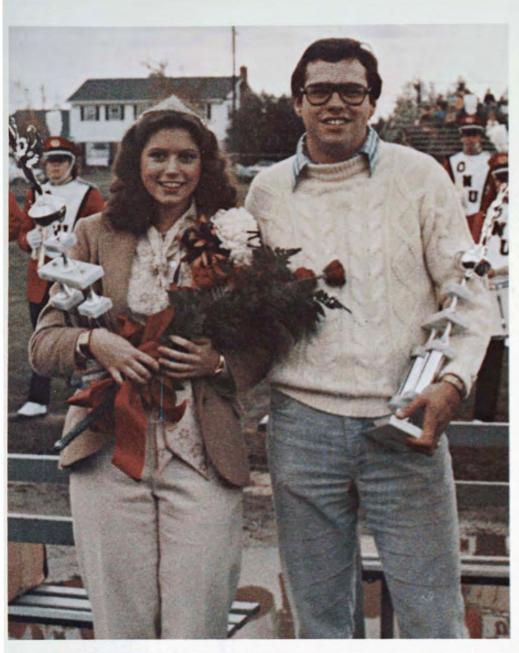

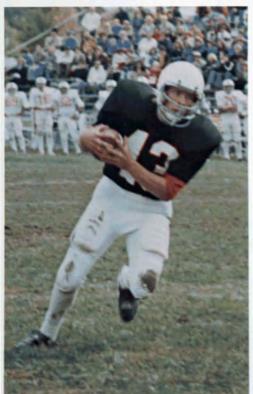

"Still Crazy After All These Years"

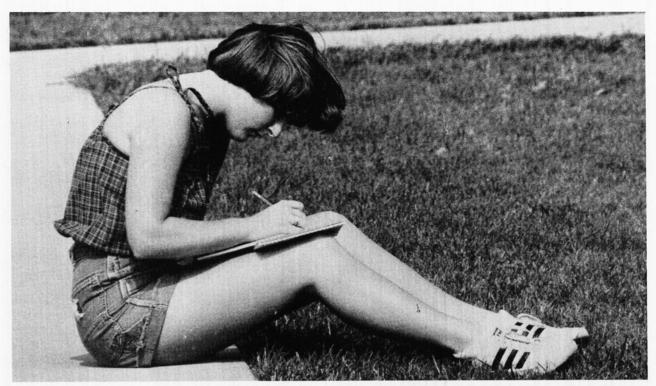

The traditional flagpole rush, the crowning of the King and Queen, a performance by the Graduates, a comedy group, and a Disco Dance highlighted Homecoming Weekend 1978 at ONU.

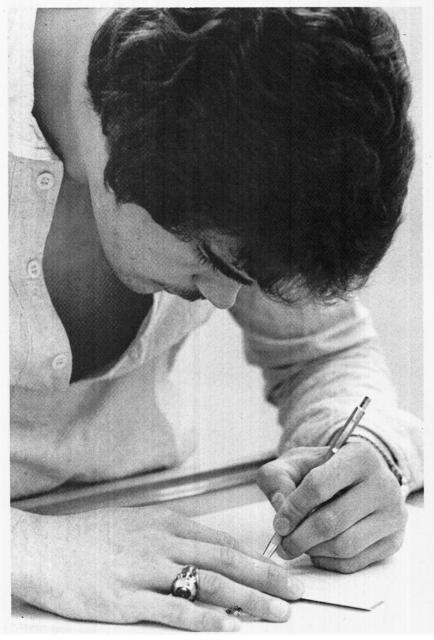

The theme of this year's Homecoming was "Still Crazy After All These Years". Things were pretty crazy due to many activities planned by the Homecoming Committee.

Friday evening marked the annual Torchlight Parade and Bonfire where Laurie Thompson, Jill McFarlin, Rose-Ann Simunich, Carol Patrylak, Cole Gerstner, Tim Steinhilber, Kevin Riehly, and Chris Young were presented as the 1978 Homecoming Court. During half-time of the ONU vs. Ohio Weslyan game, Laurie Thompson and Cole Gerstner were crowned Queen and King of the Homecoming festivities.

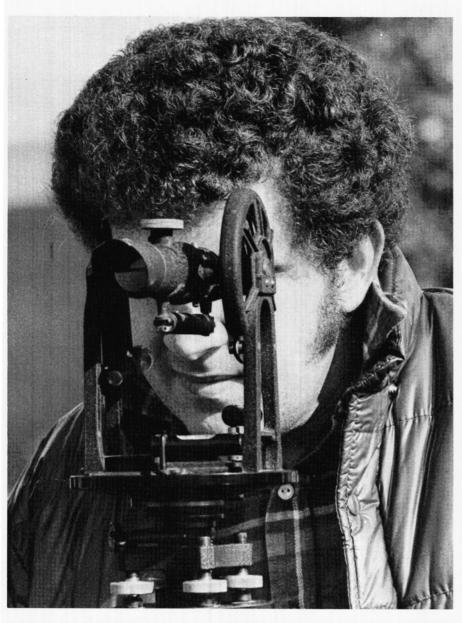

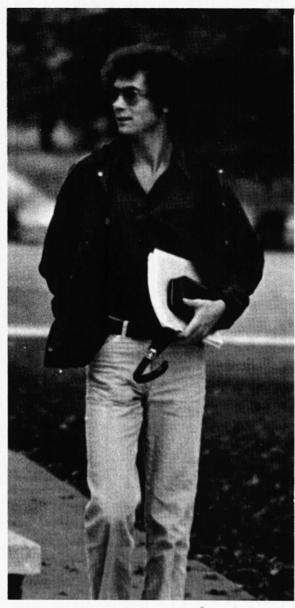

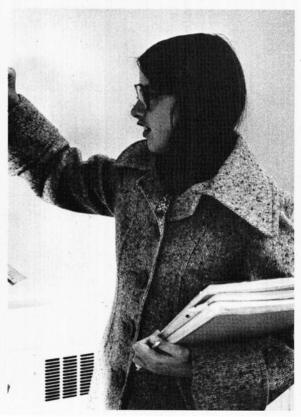

Director, Flags Musicians . . . Showtime

This year was the first in over ten years for ONU faculty and students to enjoy the entertainment of a marching band. The director of the ONU 120 member marching band was Mr. Gary Sullivan. Along with the director, the band worked inexhaustibly to prepare and perform exciting and enthusiastic half-time shows at ONU's home football games. To conclude a successful year, the marching band performed its final concert of 1978 at the Fall Bands Concert in Lehr Auditorium.

They march, they cheer ...

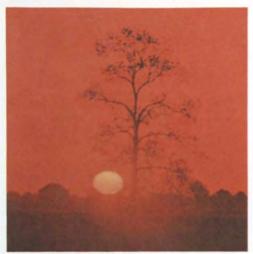

... and he entertains.

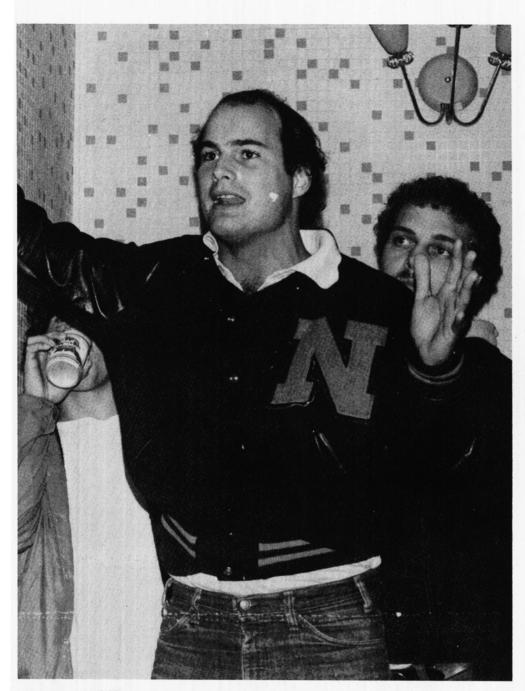

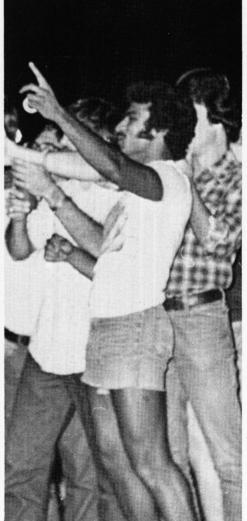

Students unite!

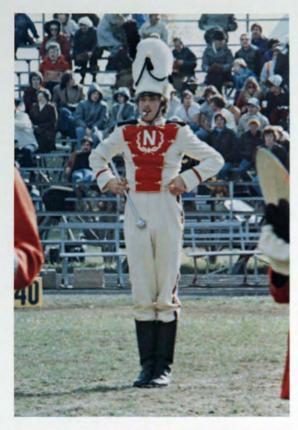

The students of Ohio Northern united at the end of Fall quarter of 1978 to protest the limitation of student rights and the prohibition of alcohol. As a result of "student togetherness," The Board of Trustees, with reservations, consented to policies of visitation every weekend in the residence halls and the discreet use of alcohol.

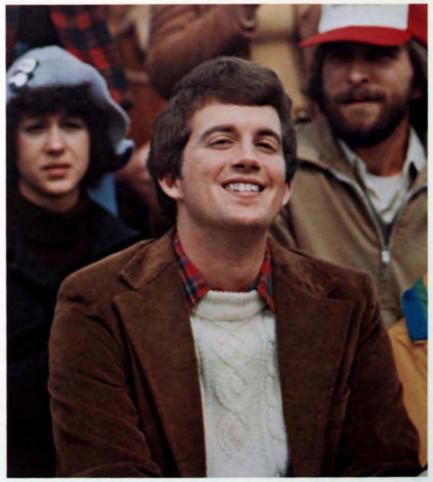

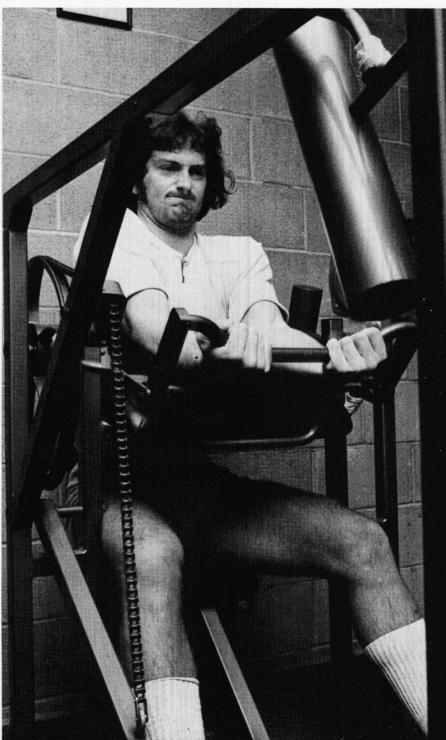

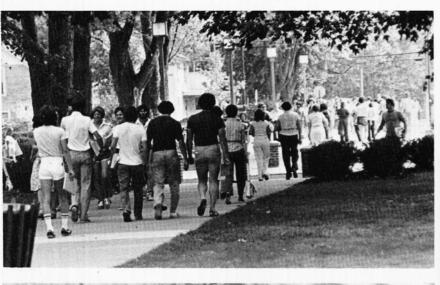

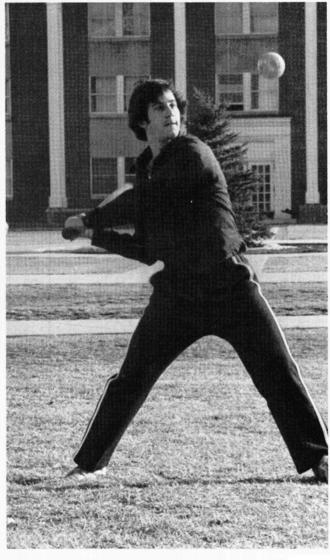

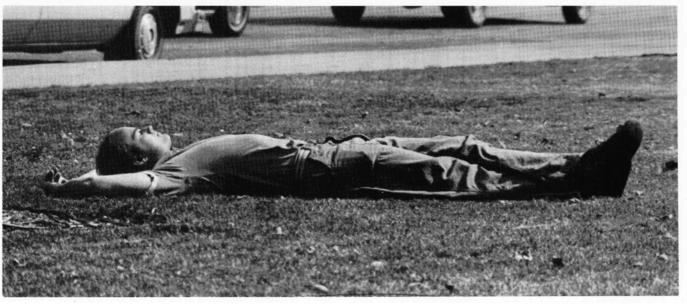

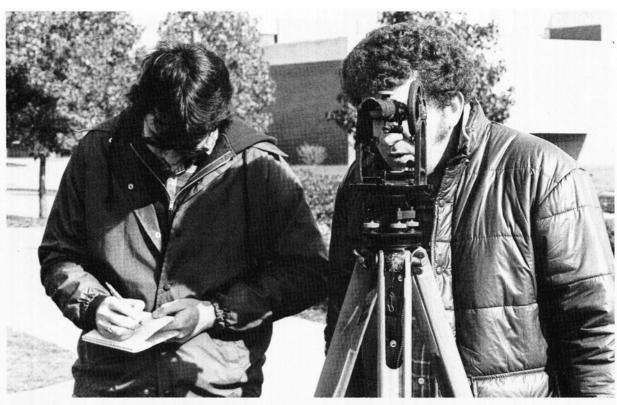

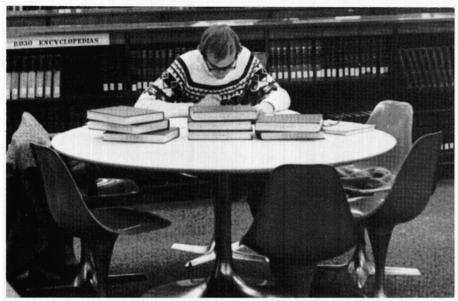

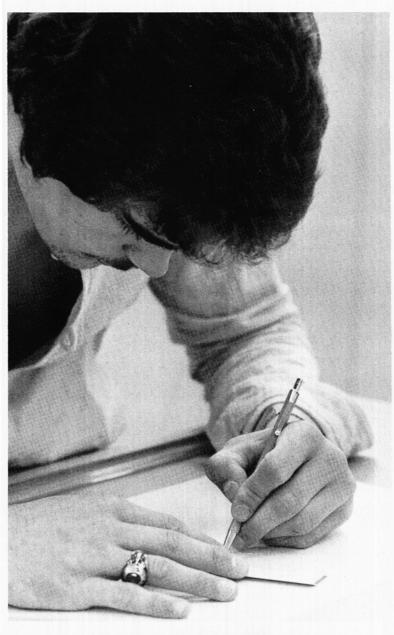

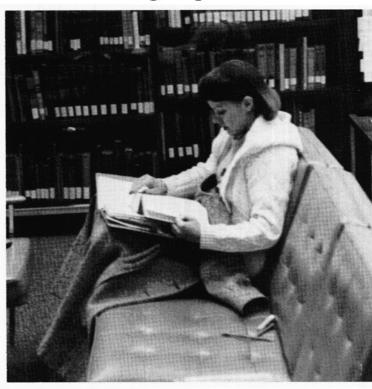

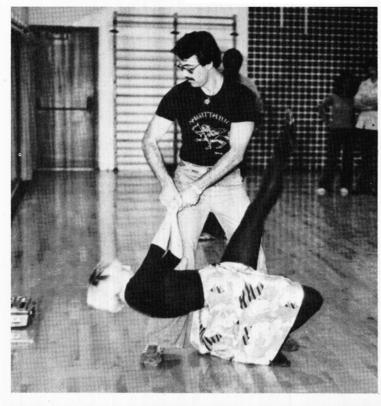

Pencil-Pushing Pupils

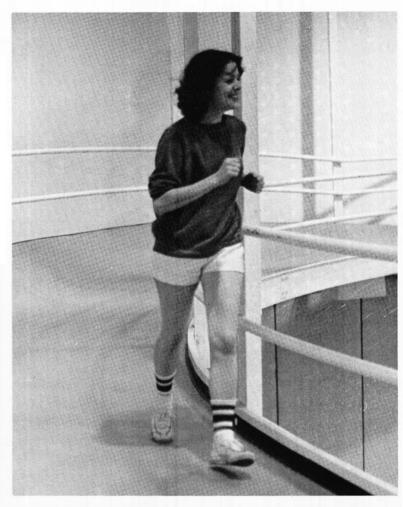

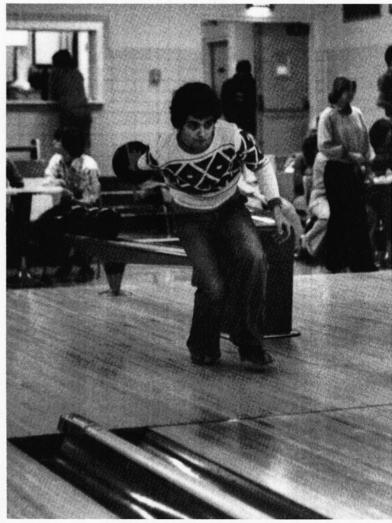

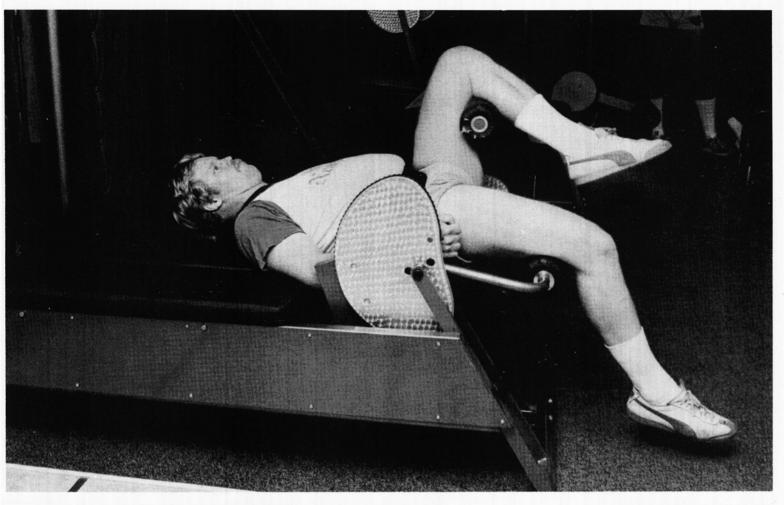

Getting Involved

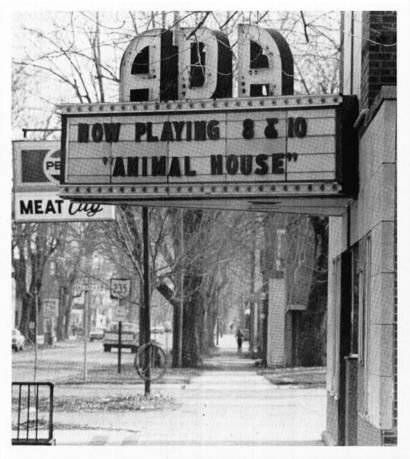

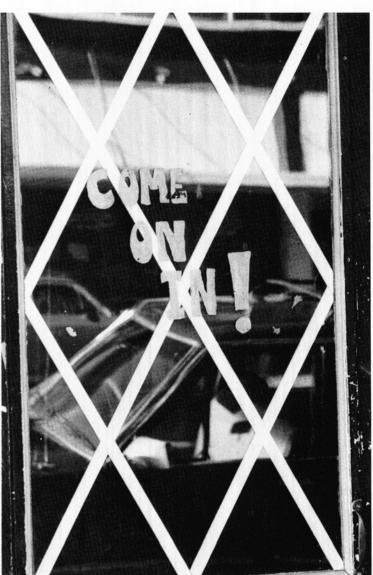

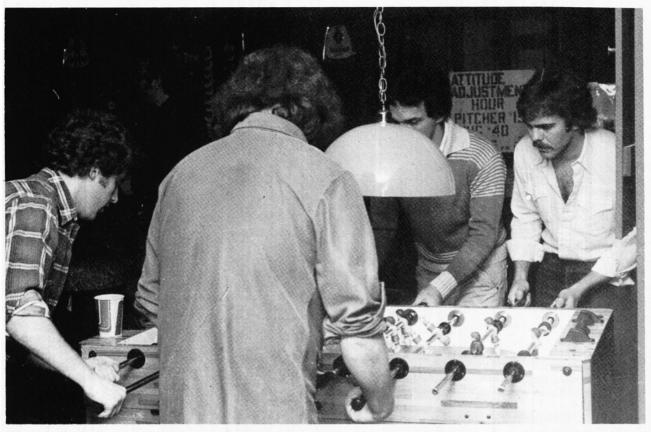

All Around Ada

Wonderful Weather!

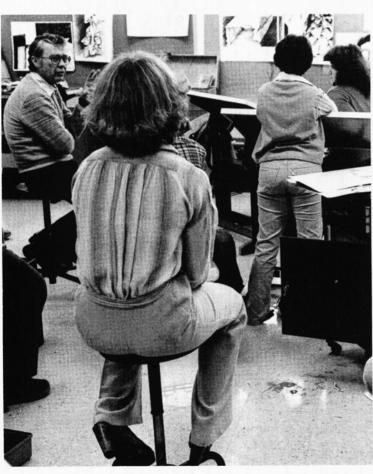

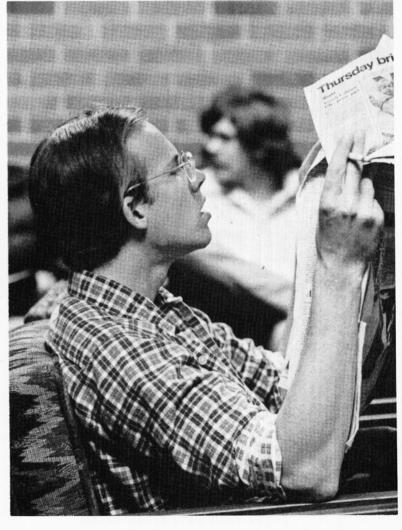

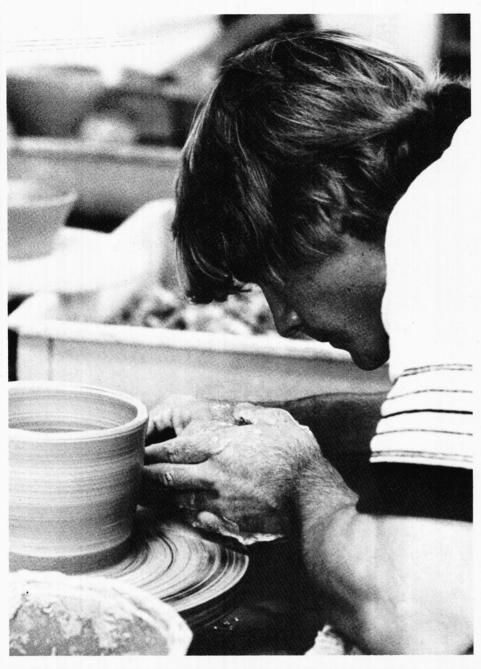

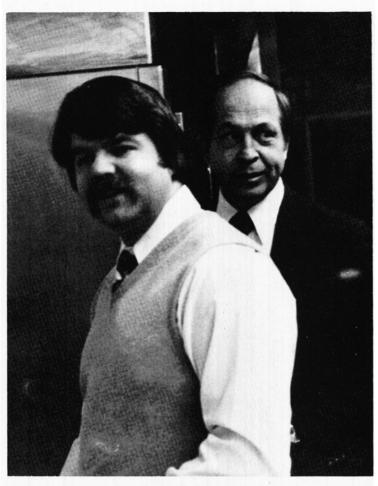

Saga Comes To O.N.U.

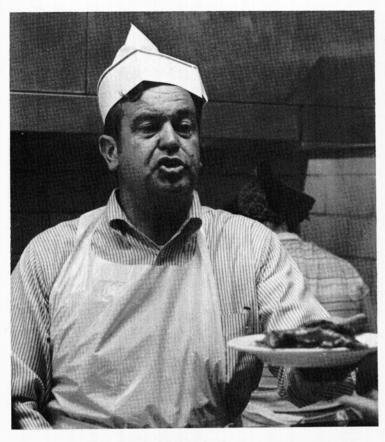

12.1 /

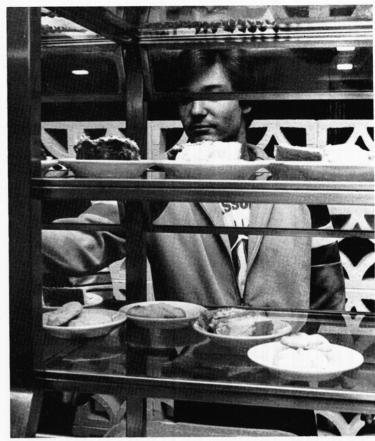

The '78-'79 school year marked the beginning of Saga Food Services at ONU. The new service brought with it, among other things, a change in the employee's appearances, a broader variety of food, and an expanded salad bar.

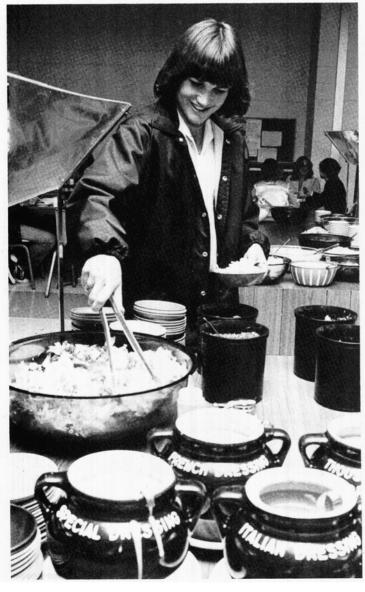

Several special theme meals were served throughout the year. The 50's meal, the Italian night, and steak nights were especially popular. Saga also continued the finals week midnight breakfasts at which members of the faculty and staff served. Besides the midnight breakfast, special finals week treats such as ice cream or cupcakes were also served to provide the needed study breaks.

All in all, the students seem receptive to Saga and see it as an improvement over previous food services. Anything is better than Slater's, right?!

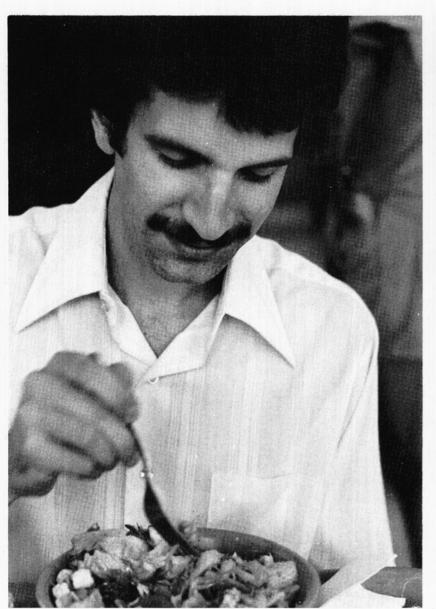

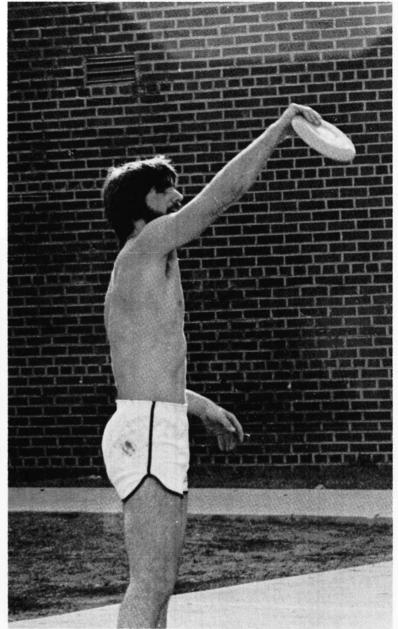

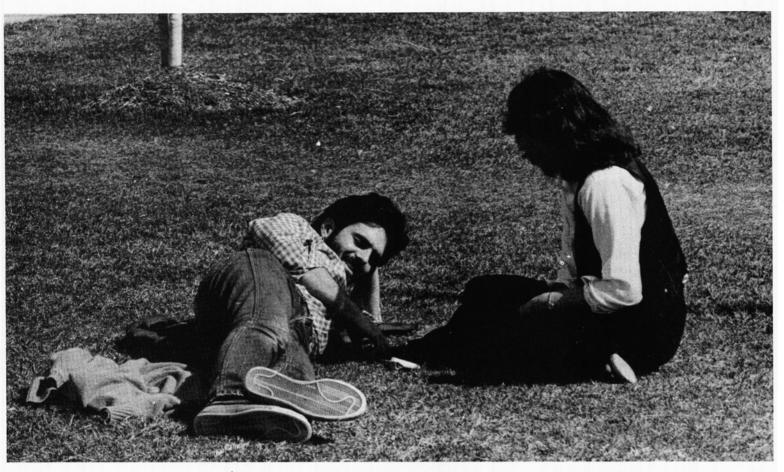

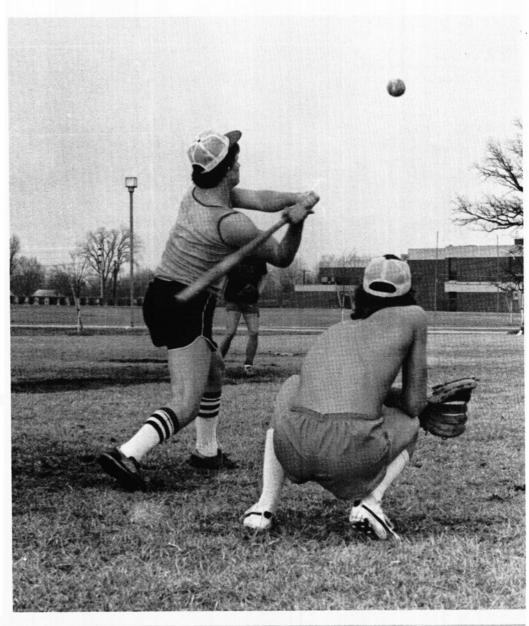

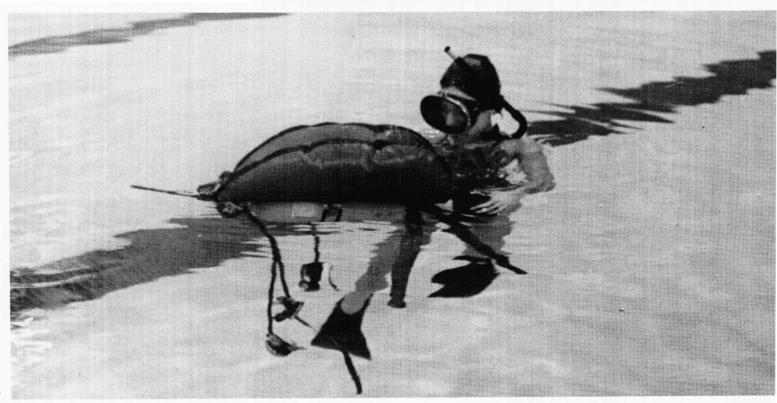

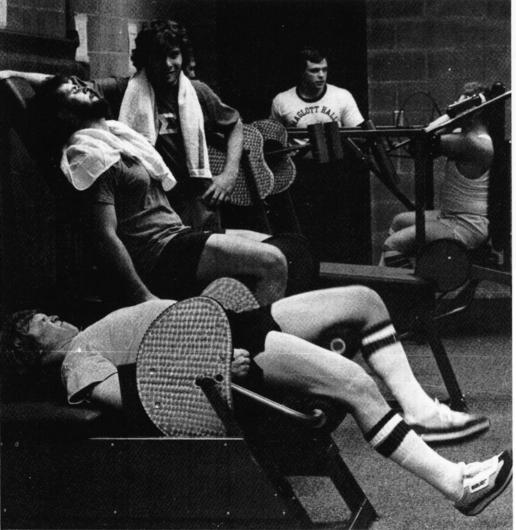

Spring: Figures and Fitness

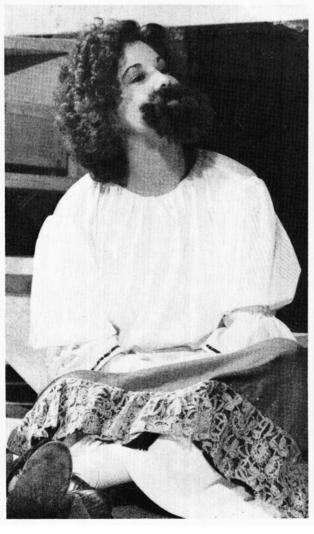

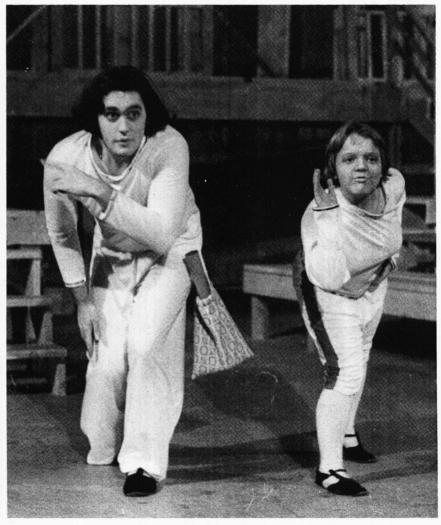

Theatrics '78-'79

Volpone was presented during winter quarter with Phil Martin in the title role. This delightful production tells the story of a man who is born with nothing but wants everything in his life. He tries to get what he wants by convincing others that he is dying and that if they help him, they will be his heirs.

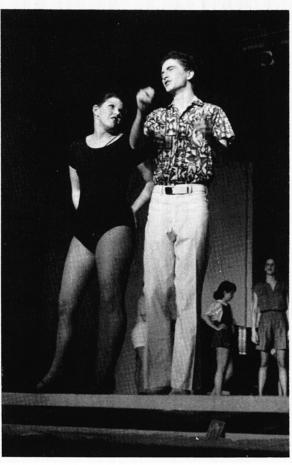

The speech and theatre production spring quarter was a musical comedy entitled Dames at Sea. "Dames" is a satire of a typical 1930's Broadway musical. Principle roles were played by Gale Jenkins, Rodney Rogers, Sylvia Rex, Charlie King, Ruth Miller, Phil Martin, and Paul Weimer. The talents of these individuals created evenings of song and dance for all to enjoy.

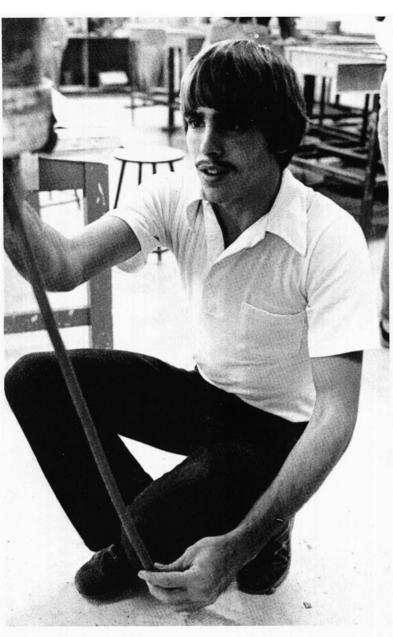

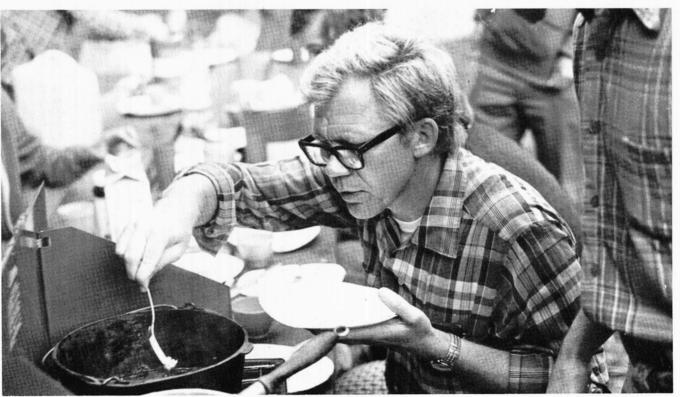

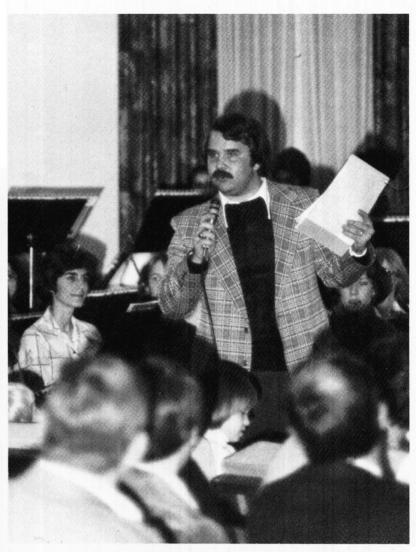

A Merry Family Christmas

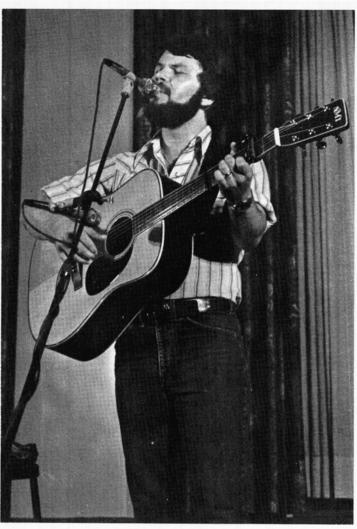

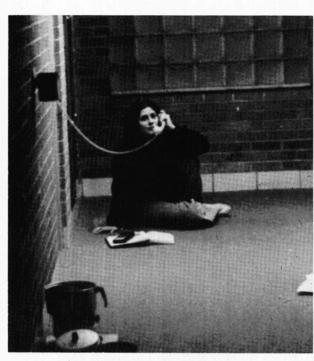

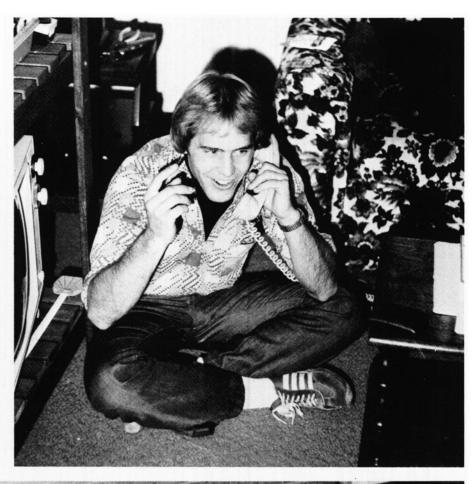

Broader Horizons

The Artist Series provides various programs for the students of Ohio Northern. This year's programs ranged from a mime artist to an improvisational group, the Reification Company; several movies were sponsored also. Through these programs, the students are introduced to various art forms thus enabling the students to acquire an appreciation for art.

Rowdie Residents

Program Board Does It Again

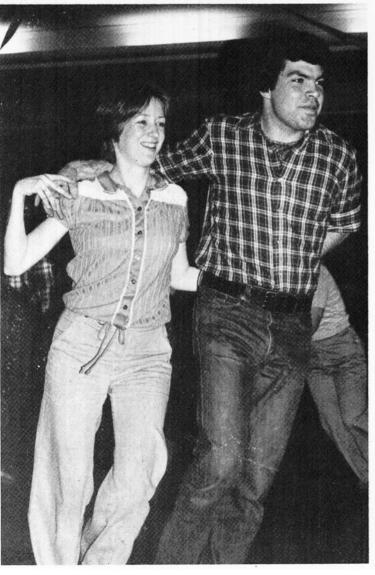

Once again, the members of Program Board, under the direction of Ron McDonald, planned yearlong activities for the ONU students' benefit.

Events ranged from the weekly movies shown nearly every Sunday evening to ping-pong tournaments to square dancing. Open-mike nights, sponsored periodically in the White Bear Inn, gave many budding musicians a chance to display their talents. Highlights of the year were a Mardi Gras night and the annual Sunshine Week, which included the performance of the Faith Band.

Although poor attendance dampened some of the PB's activities, those who did participate always had a good time.

The members of the O.N.U. Chorus and University Singers received a treat for Christmas as Jestor Hairston, renowned actor, composer, and choral arranger, directed their Christmas Choral Concert. Mr. Hairston's love of music made both groups come alive and perform better than usual. Hairston's amusing anectdotes delighted both the choral members and the audience. Mr. Hairston led the worship in Chapel earlier the same day.

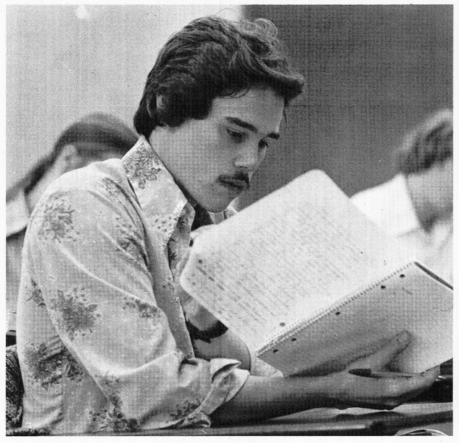

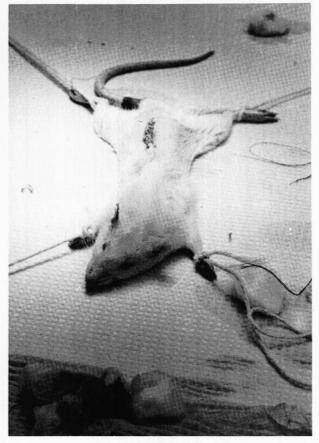

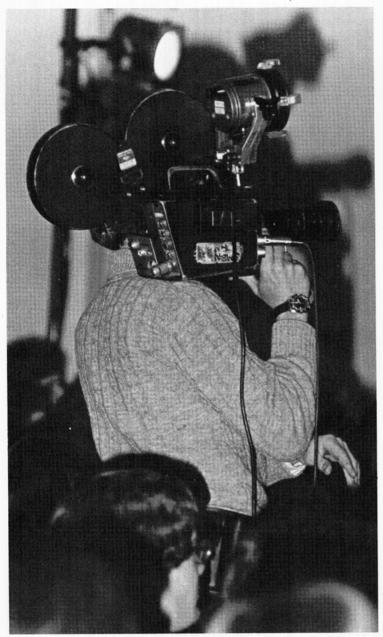

Classroom

Diversity

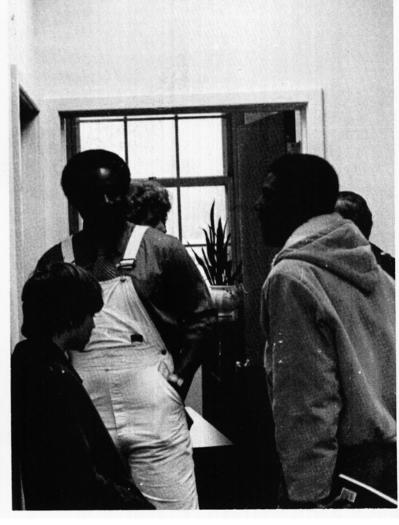

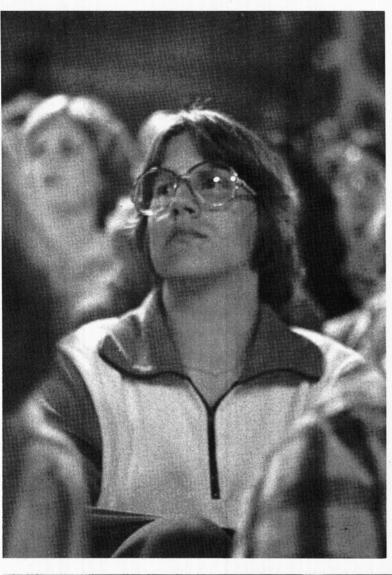

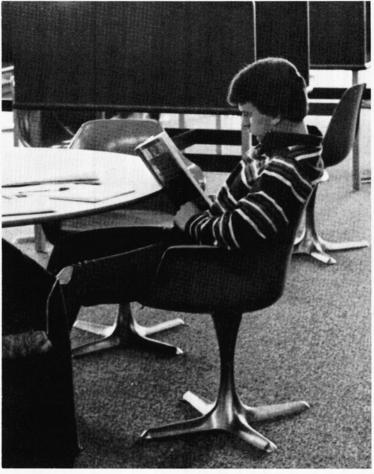

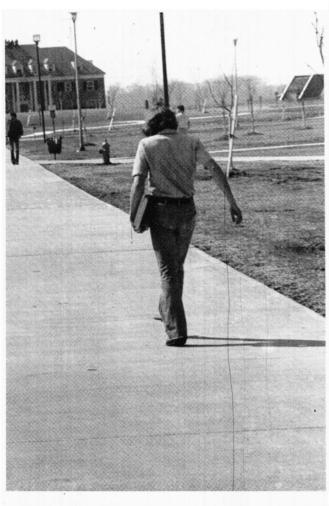

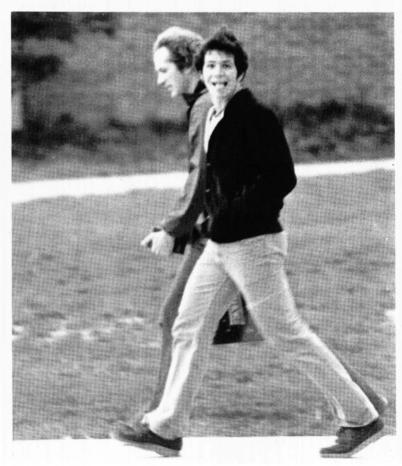

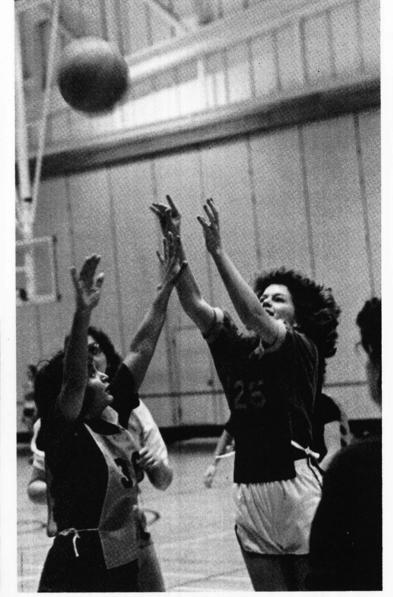

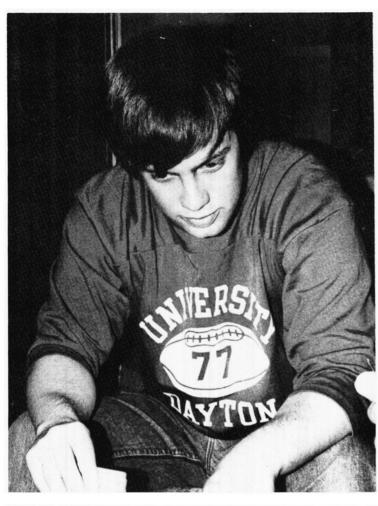

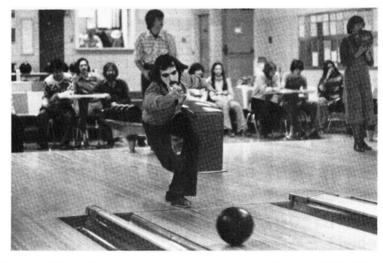

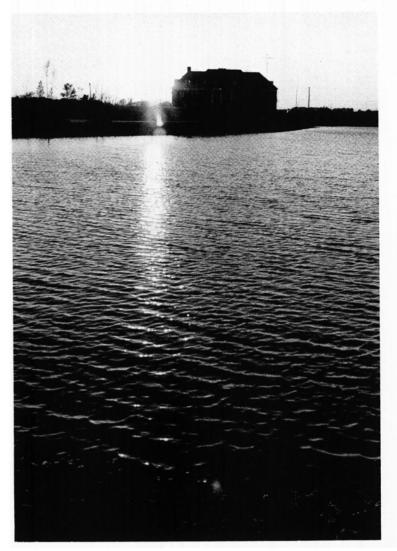

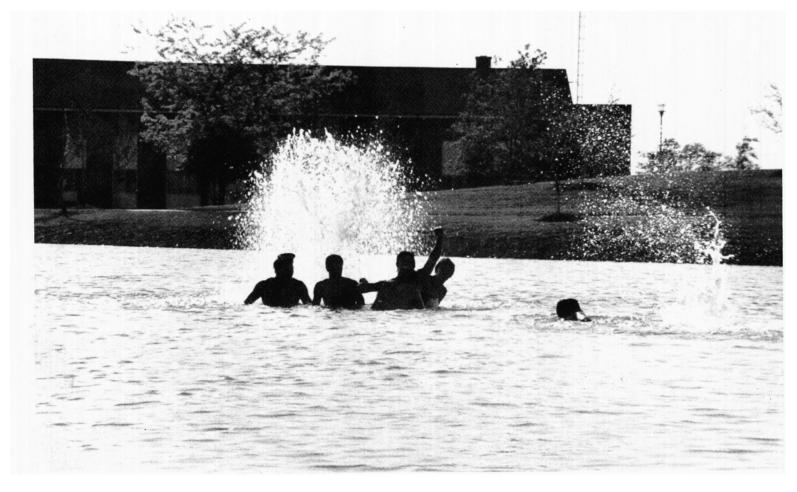

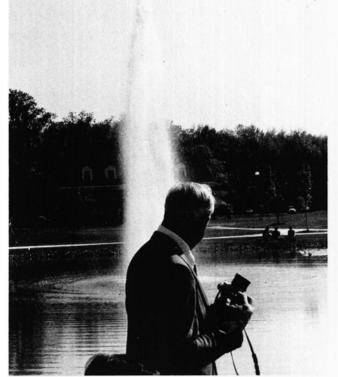

Besides the countless number of trees, one of the other additions to ONU's campus is the lake and fountain located inside Fraternity Circle. Dedicated on May 18, 1979, as the Neiheiser Environmental Project, the lake has served in many aspects during the past year. It served as a meeting place for students protesters during fall quarter, as the local skating rink for ice skaters during the winter, and finally, as ONU's own back yard swimming pool in the spring.

Although it was first greeted with skepticism and criticism, one can admit that the lake does add something to the campus — even if it is only its sloping "hills."

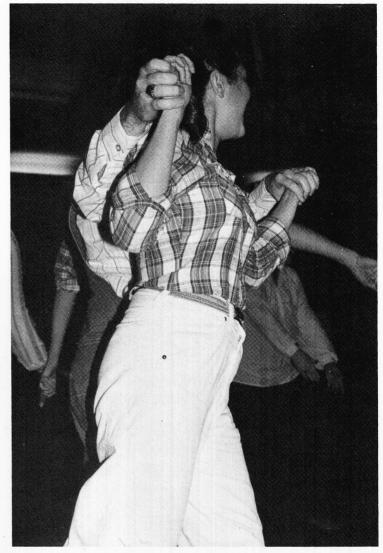

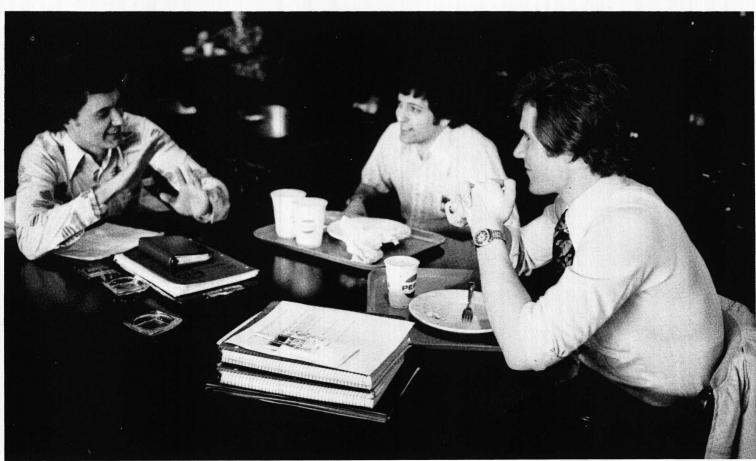

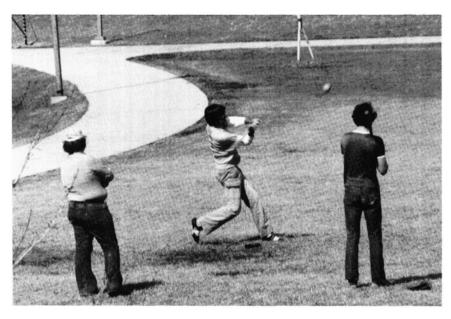

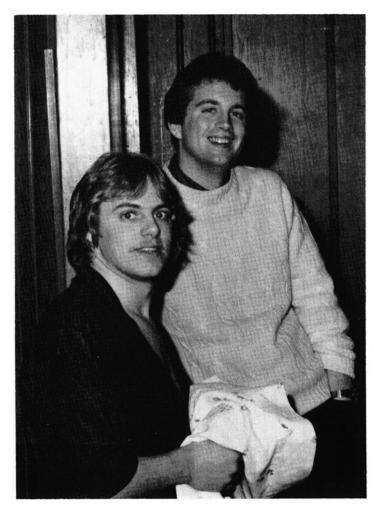

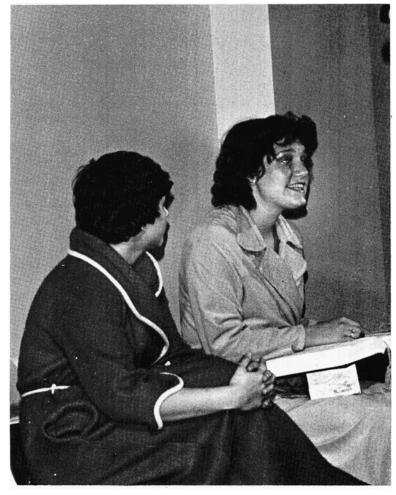

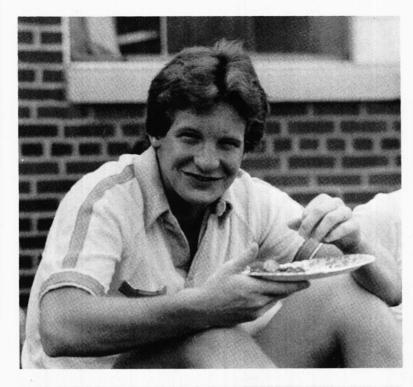

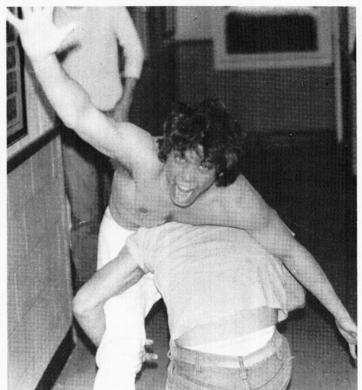

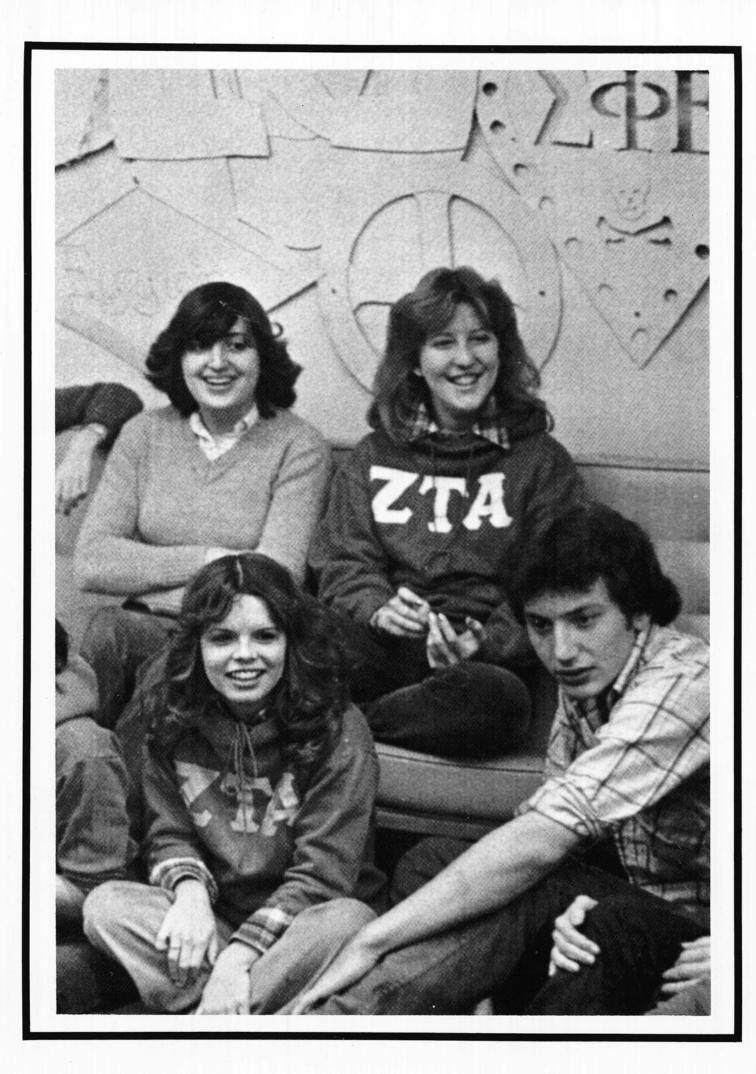

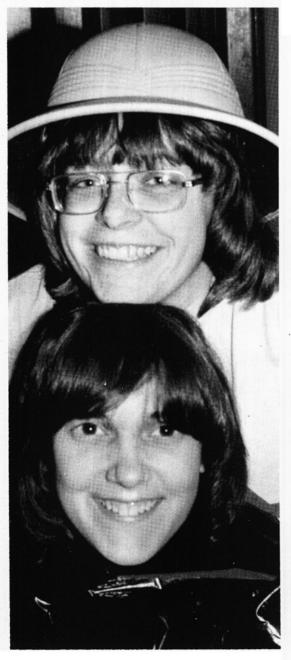

Greeks - With a Capital "G"

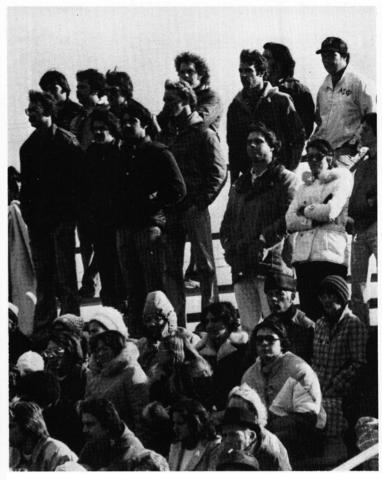

From alpha to omega, in daily classes and at weekend parties, the symbols of Greek life are visible wherever one looks on campus of Ohio Northern. The Greek system is another important element adding to the spirited atmosphere of O.N.U. It begins in the fall with Friday afternoon "Happy Hours" at the Bear Trap lively Saturday night parties at the frats. The spirit continues into winter, bringing with it excited pledges proudly displaying thier shiny new pins. To brighten the gloomy winter days are crazy pranks, early morning wake-ups, and ditches pulled on the brothers and sisters. However, in one "fun-filled" week during the spring, all of this comes to an end with newly accepted Greek brothers and sisters.

In spite of all the partying and good times, O.N.U.'s Greeks have a serious side, too. They sponsor marathons, dance-a-thons, and bike-a-thons for philanthropy projects. Greeks are also involved in all aspects of campus life. All in all, the '78-'79 year has proven evenful for each Greek at Ohio Northern.

The Alpha Omicron Pi's began the year with a big scare: the second annual AOII and STE Haunted House. Their share of this highly successful philanthropic project went to the Arthritis Foundation. Rush was successful and resulted in 17 great pledges. As it has in the past, the AOII Jail was one of the highest revenue booths of Campus Chest. Also during Campus Chest, Linda Maki was recognized as having the "Best Ass on Campus" by the Delt's.

The AOII's had a blast during Greek Week with their journey down the Nile – our version of King Tut for the PMD Talent Show. Joanne Rasmussen was chosen as the 1979 Greek Week Queen. The week ended with the AOII's taking first place in the KY car rally.

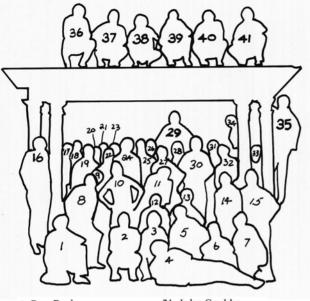

Other special people include Mike Schobelock who was selected sweetheart at the annual Winter Formal and Julia Dorrance, the Outstanding Greek Woman of the year.

The Gamma Alpha chapter of Alpha Sigma Phi was installed at Ohio Northern in 1942. For the last thirty-seven years brotherhood, scholarship, and sports have reigned at the Sig house. Although the Sigs won a couple of major sports in the interfraternity league, the All-Sports trophy eluded them for the first time in four years. On the interscholastic level, the presence of the Sigs was also felt. O.N.U.'s Varsity sports program relies heavily on Sig participation as many brothers compete in football, cross country, wrestling, track, and baseball. The winter and spring formals were both held in Lima. The annual Chicken Bar-B-Q was a big success; parents, brothers, and friends all met each other and had a good time. The "Animals" invite you to stop in any time.

Alpha Xi Delta

ROOF: Jone Hardin, Carolyn Beall, Sharon Kitchen, Tammy Ramsey, Sandy Messina, Sue Huttinger, Denise Ritter, Mary Jo Seiter, Clarice Turk, Barb Reeves, Lori Bishop.

'78-'70 was a great year for the Gamma Tau chapter of Alpha Xi Delta. Thriteen new sisters were initiated into the sorority. A dream came true when the Fuzzies purchased a house of their own at 125 E. College Ave.

Fall means Homecoming at O.N.U. The Fuzzies won first place for their house decoration and Carol Patrylack was placed on the Homecoming Court as an attendant.

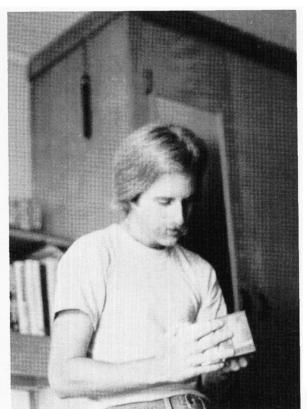

The Fuzzies didn't let winter get them down. They had a party with the Phi Kaps, a Saints and Sinners party with the Delts, a space cadet party with the PMD's. a St. Patrick's Day party with the Sig Pi's, and a mock New Year's Eve party with the Delts. The pledges sponsored a caveman's party for the sisters. The annual Rose Formal was held at the Milano Club where Tom Briner was chosen Man of the Year.

During the spring, the Fuzzies tied for first place in the Sig Olympics and placed second over all in the Greek Games.

Delta Sigma Phi

The brothers of Delta Sigma Phi enjoyed one of their greatest years during '78-'79.A fraternity high of twenty-three brothers was initiated and an important asset to the house.

Involvement was the key word for the Delts. They were the leaders in I.F.C. as brothers held the offices of treasurer and chairmen of the rush, sports, seminar, and student activities committees. Brothers were also active in theatre, the Northern Review, sailing club, and varsity golf and tennis. The Delts finished a strong third in fraternity intramurals with a first in volleyball.

The brothers still found plenty of time to party; the annual love band party was a hit of fall quarter. With the addition of a light show and concert speakers, all constructed by the brothers, the parties were always loud and crazy. Red Skelton entertained the brothers at their formal at the Palace Theatre in Cleveland.

The Little Sis Club continued to grow with 20 new sisters initiated. This year's sweetheart, Claudia Brunie, was elected Miss Campus Chest.

Delta Zeta

ROW 1: Steph Saunders, Mary Kreais, Lisa Labriola, Mary Sherman, Holly Reidel, Mary Beth Choma, Barb Hoffert, Irene Karras, Becky Moronti, Elaine Drake, Sheila Hawk, Barb Brickley, Lisa Cole. The '78-'79 school year was quite busy and successful for Zeta Kappa chapter of Delta Zeta. The DZ's are involved in many campus organizations and activities such as Mortar Board, professional organizations, little sis clubs, theatre productions, cheerleading, fraternity sweetheart, chorus and band.

The Zeta Kappa chapter hosted the DZ State Day at O.N.U. Many awards were given to O.N.U.'s chapter such as membership, philanthropies, standards, and most spirited chapter.

One again, the DZ's did well during Greek Week by winning Derby Day, Greek Sing, and the Way-Out Games.

The main philanthropic project for the year was the 24-hour dance marathon which was held to raise money for the Gallandet College of Hearing. Other philanthropies included the carnation sale for Valentine's Day and the daffodil sale for Easter.

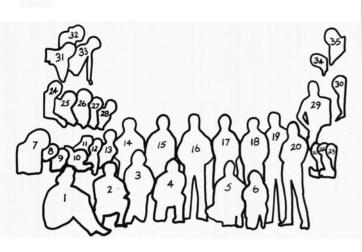

The Delta Zeta winter formal was held at the Milano Club in Lima. Spring formal was held at the Holiday Inn West in Toledo. The new DZ Man of the Year, Tom Mack, was announced in the spring.

The year was brought to a close with the annual DZ Parents' Tea held in May.

Kappa Psi Fraternity, Gamma Delta chapter, was founded on March 20, 1920, by Dean Emeritus Rudolph Henry Raabe. '79-'79was an exciting and progressive year for the brothers of Kappa Psi, who were active both professionally and socially. On the professional side, the KY's assisted in the Red Cross Bloodmobile visits to the campus. O.N.U.'s KY's hosted the Kappa Psi Province V Convention in the spring. The outstanding chapter award was presented to Gamma Delta chapter, and two brothers were elected to province offices. Once again the KY's pie-throwing booth in Campus Chest was a top booth in raising money for charity. Winter Formal was a great time; Colette Meyer, a third year pharmacy student, was announced as the new sweetheart. As usual, the annual Spring ling was a huge success.

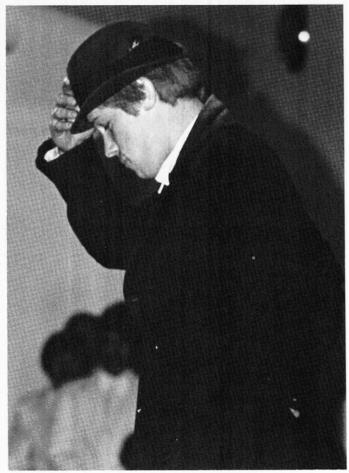

Phi Kappa Theta

ROW 1: John Payne, Mark Palmer, John Osowski, Kelly Moyer, Jeff Frantz, Mark Kaletta, Jerry LaMarco, Bimel Dassani. ROW 2: Dean Beer, Tracy Wilson, Paul McEvey, Rex Hayes, Rick Peiffer, Ted VanderRoest. ROW 2: Bob Cooper, Joe Motta, Larry Caprenter, Don Rasmussen, Bill Kress, Steve Mahoney, Mark Robinson, Tim Lastrapes, Mark Eshler, Dave Peterman, Brett Coakley, Dave Webster, Steve Huffman, Bob Doidge.

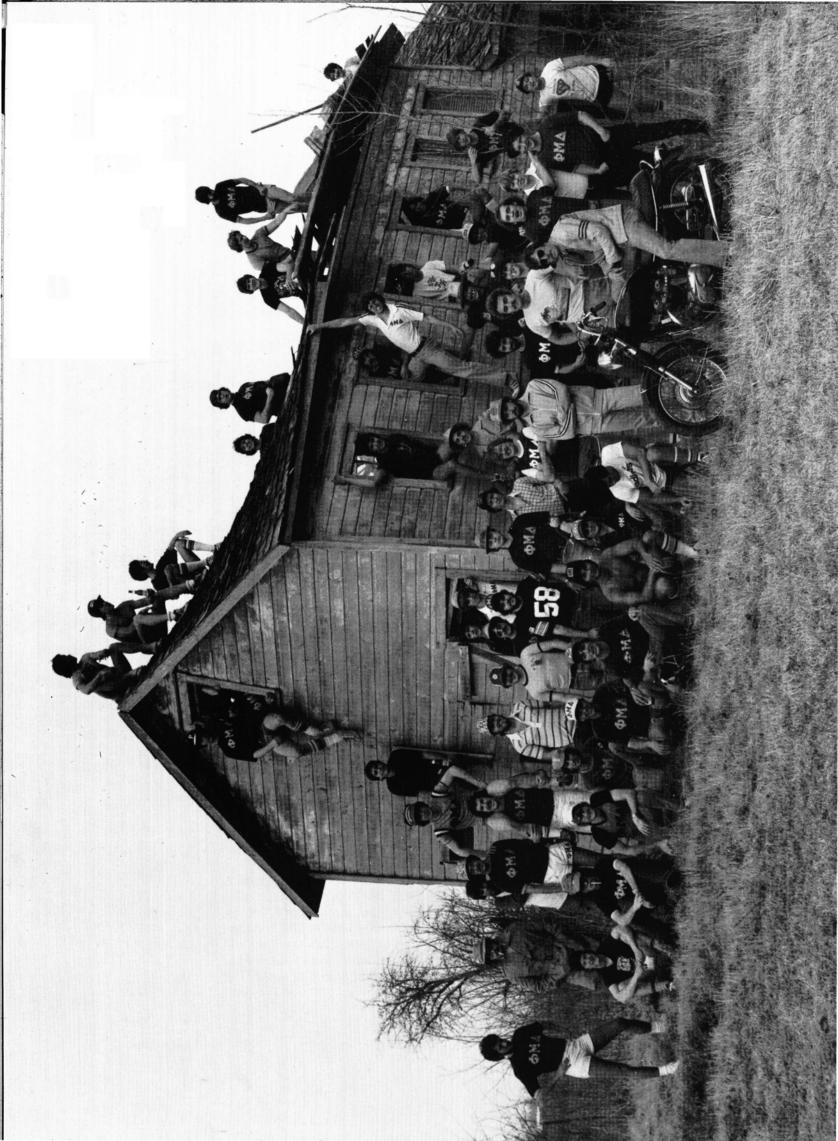

The Phi Kaps had an interesting year. While continuing the traditional social functions such as cocktail, Pledge Princess Dance, and formal, they also had many informal weekend parties and various alumni functions. The annual spring retreat was held at Hocking Hills. Spring Formal was held in Toledo; Tracey Woollard, the new sweetheart, was honored at this time.

During the schoolyear the Phi Kaps earned the President's Award for Scholarship and made many house improvements. Some of these include new draperies for the living room and kitchen and new furniture.

The Most Valuable Brother award went to Rex Hayes, who also carried the highest grade average for a graduating senior. The Most Valuable Pledge award for the '77-'78 pledge class went to Rick Unsworth. All in all, it was another fine year for the Phi Kaps.

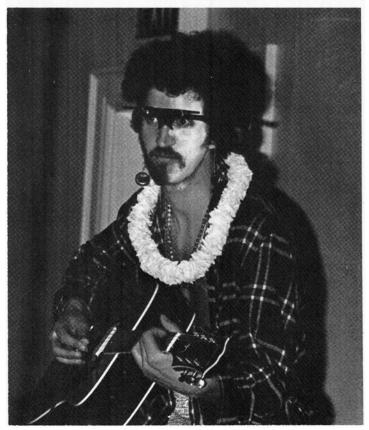

Phi Mu Delta

ROW 1 (kneeling): Wayne Regan, John Landrum, Mark Gregory, Mike Sebach, Matt Wessel, John Armitstead, Steve Patonia, Jeff Graham, John Syler, ROW 2 (standing): Mark Buerher, Jeff Griffin, Tim Stacey, Jim Zeleznik, Gene Baker, Chris Adams, Ed LoBuglio, Steve King, Jan Klaiss, Dwayne Varner, Mike Turner, Dave Perkins, Bob Schlanz, Drew Sanko, Dave Augustine, Dave Martin, John Wuerdeman, Kevin Kline, Jim Tibbs, Tom Kier, Brian Bishop, Scott Syler. '78-'79brought a winning year for the "House of the Lions." The brothers of Mu Beta chapter of Phi Mu Delta, while doing fairly well academically throughout the year, donated part of their time to community service projects such as planting trees around Ada in the fall, singing Christmas carols at a Hardin County retirement home, and sponsoring an Easter Egg hunt for the children of a Head Start program in Lima.

The PMD's pledging program initiated 10 new brothers, and the little sis program was again a success as "Lion's Pride" accepted 16 new members.

Competition was met most outstandingly by the PMD's beginning with a first place finnish in the Homecoming pushmobile race. Winning the Greek Week activities was highlighted by Brother Steve Nord being named as Greek King. The PMD's finished a great year by capturing the I.F.C. Sports trophy; this accomplishment was due mostly to the fine performance of the house softball team.

Winter formal welcomed Miss Julie Oddo, a junior education major, as the new sweetheart.

Tradition is a key word to the Sig Eps. As the oldest fraternity at O.N.U., there are many annual events. Charitable activities are a part of this tradition, and this year was no exception. Memorable events included a haunted house for the community, a Christmas party for the underpriviledged, and an Easter egg hunt for a Day Care class. The brothers also manned phones for the Easter Seals Tele-thon, and sponsored a walk-a-thon and a community yard clean-up.

The future looks bright with the addition of 24 brothers and 34 new Goldenhearts. Highlighting the year was Spring Formal held at Heuston Woods. Bill Pfeiffer was selected as the Dr. Samuel Meyer Brother of the Year and Liz Smith as sweetheart.

The 1978-79 schoolyear saw Sigma Pi involved in many campus activities as has been the tradition since Zeta chapter was chartered at Ohio Northern in 1912. Brothers were involved in varsity sports including track, swimming, and diving, as well as again helping the soccer team achieve another winning season.

The brotherhood expanded as 12 new brothers were initiated at the National Headquarters in Vincennes, Indiana. The little sis program continued to grow as'there are now over 35 little sis's.

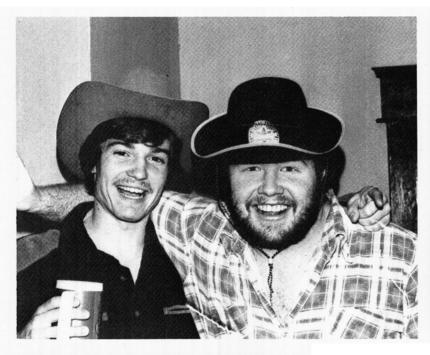

Annual events included the Tequila Sunrise party, the Orchid Ball, held in Bellefontaine, and the spring canoe trip and camp-out, a wet but fun time due to the good participation of both the brothers and little sis's.

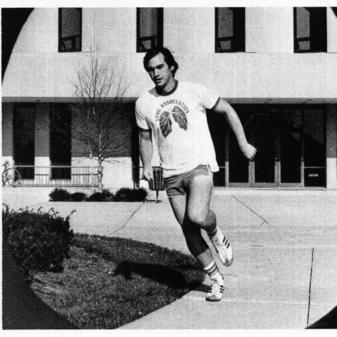

Two brothers received special awards during the year. Jim Giles, co-captain of the soccer team, won the Eichorn Memorial Award for the most outstanding player. Mike Grandillo received the prestigious Greek Man of the Year Award. Kathy Suchoza, a third year pharmacy student was chosen as sweetheart at the Orchid Ball.

Theta Chi

ROW 1: Dave Albers, Tom Gaborcik, Jim Millar, Gordon Neumann, Mike Preston, Steve Kelley. ROW 2: Brian Fuchs, Doug Crane, Mike Schobelock, Tom Lamb, Tim Moser, John Wolk, Steve Harder, Lance Lucas, Vance Brown, Jeff Colvin, Bruce Eakin, Mike Braddock. ROOF Mike Banchy, Alan Mong, Ray Martin, Tim Tuskas, Cliff Peshek, Jim Erhart.

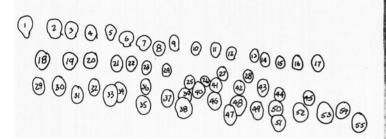

Since entering the O.N.U. fraternity system in 1966, Zeta Kappa chapter of Theta Chi Fraternity has excelled in the areas of campus leadership, academic achievement, and community service. Brothers are actively involved in I.F.C., Student Senate, intramurals, band and University Singers, as well as many honorary organizations.

In the fall, the brothers of Theta Chi held a Halloween party for the children of the Allen County Orphanage. In keeping with tradition, the brothers ran their annual 24-hour marathon for the Western Ohio Lung Association. Spring quarter marked the fourth year for this event.

The '78-'79 schoolyear marked the beginning of a very successful Lil' Sis program known as "The Daughters of the Crossed Swords." The 32 girls initiated have proven to be a big plus for Theta Chi so far. The fraternity participated in Campus Chest and Greek Week, having Brother Steve Harder chosen as King of Campus Chest and winning Greek Sing. The fraternity's Dream Girl is Teresa Stafford.

'78-'79 proved to be another busy and rewarding year for Delta Theta chapter of Zeta Tau Alpha. The ZTA's were involved in many campus activities such as Motar Board, Student Senate, chorus, yearbook, honoraries, and professional organizations,

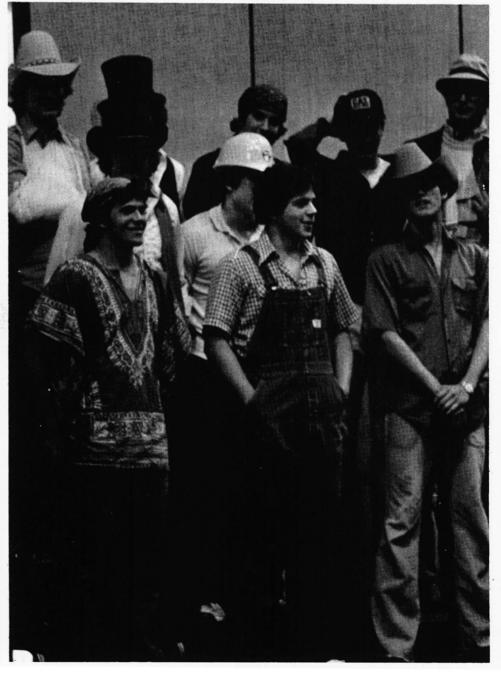

Things got off to a good start as the ZTA's candidate, Laurie Thompson, was crowned Homecoming Queen. Winter quarter was highlighted by formal held in Bellefontaine where Steve Nord of Phi Mu Delta fraternity was named as the new sweetheart. Service projects kept the ZTA's busy as they collected for the March of Dimes, co-sponsored a bike-a-thon, and entertained orphans with the STE fraternity. Once again, the ZTA's captured first place in Greek Sing while Gale Jenkins and Sylvia Rex took first in the PMD Talent Show.

In spite of their many activities, the ZTA's still found time to study and received the President's Award for Scholarship for the fourth year.

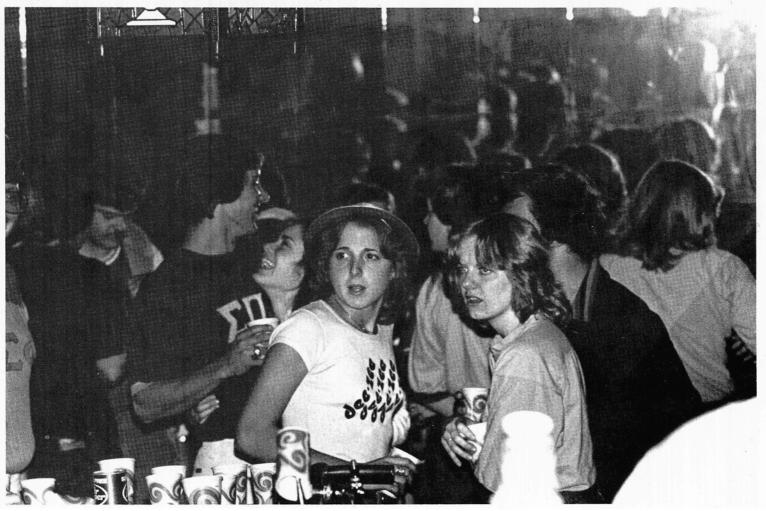

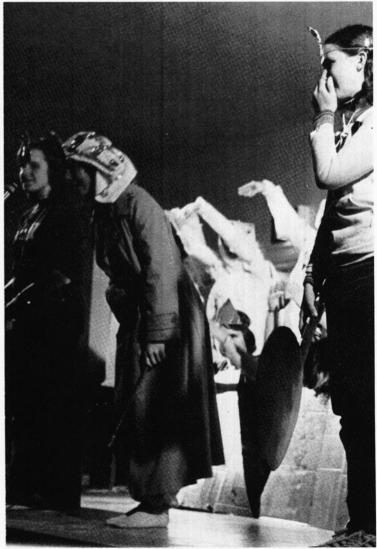

A new dimension of friendly competition among the Greeks characterized Greek Week this year at ONU. Although the weather was dreary, the Greek spirit was bright all week. The PMD Talent Show was an opportunity for a wide variety of talent to be seen; it was a big event with the Phi Kaps and ZTA's each taking first place. Thursday saw fraternity men carefully guarding their derbies from mobs of swarming sorority women in the Derby Day competition. That event was highlighted by Greek Sing. Capturing first place were the DZ's and Theta Chi's in the serious category and the ZTA's and PMD's in the original. Greek King and Queen were also announced at this time. Steve Nord, a PMD, was named king while Joanne Rasmussen of AOII was named queen. On Friday, everyone flashed their letters for T-shirt Day and ended the week with an All-Greek Beer Blast at the Bear Trap. This turned out to be a big success as all Greeks united to have a good time. The Way-Out Games and Sig Olympics brought the Greeks out on Saturday for some crazy competition including a 4-legged race, Volkswagon push, and the Zeta 500. To end the day, a disco was held in McIntoch. Finally, activities came to a close with a KY Car Rally on Sunday.

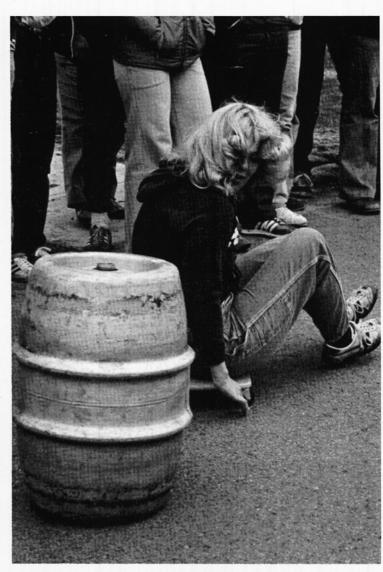

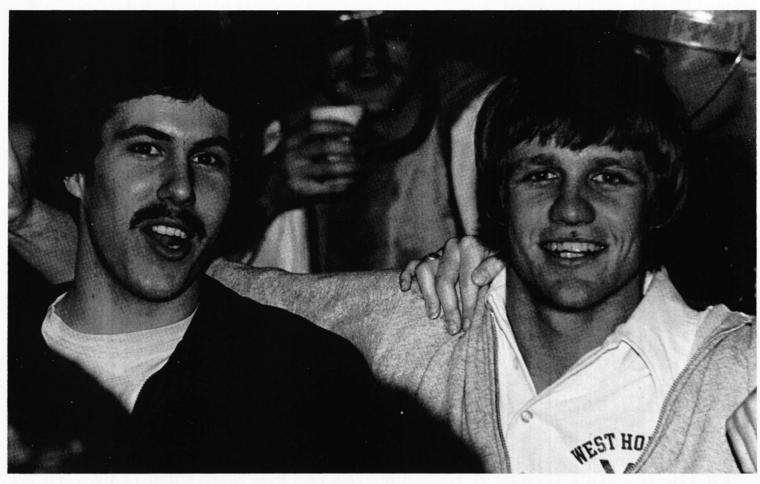

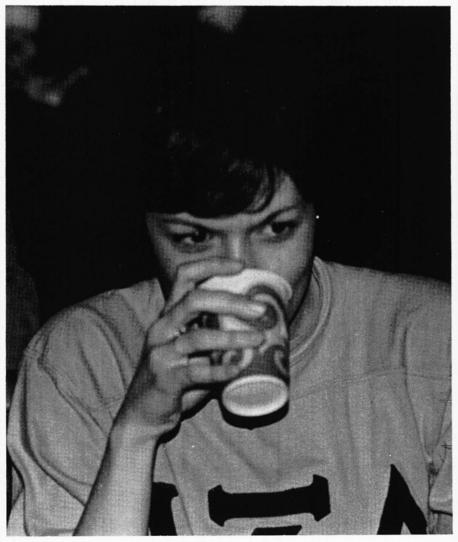

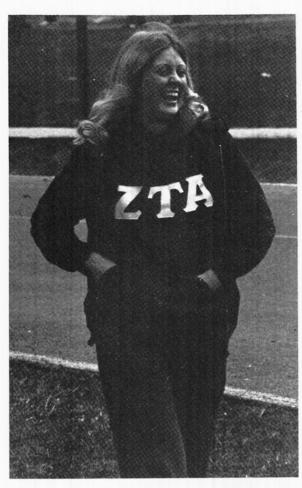

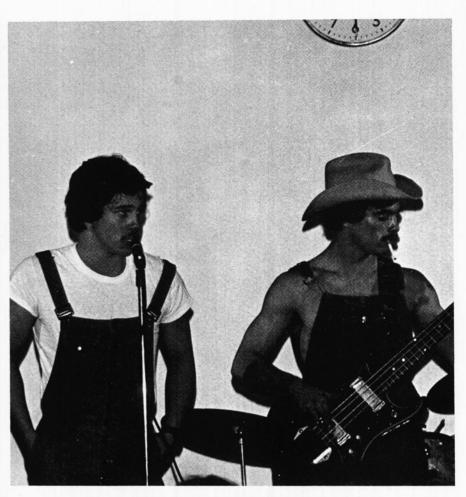

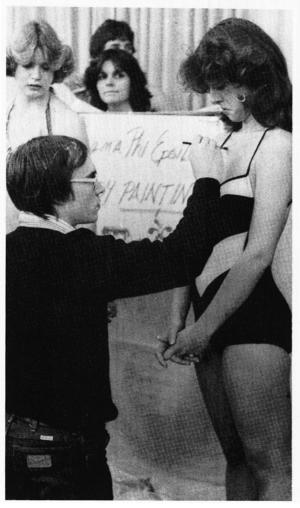

Campus Chest 1979

A massage parlor and a kissing booth in ONU's McIntosh Center? Yes, one evening in February McIntosh housed these many other booths as campus fraternities, sororities, and residence halls gathered to raise funds for Campus Chest. Booths varied from pie-throwing to bodypainting to shoe-shining. Steve Harder and Claudia Brunie were selected to reign as Mr. and Miss Campus Chest.

This annual Ohio Northern event began in the nineteen fifties and from that time, thousands of dollars have been raised to contribute to local charities.

To complete this fun-filled and profitable event, everyone moved to King Horn where a party auction was held. Sigma Phi Epsilon's "Studio 54" party sold with the highest overall bid.

This year's goal of \$2000 was not quite met, but the carnival turnout was larger than expected thus making Campus Chest a great success.

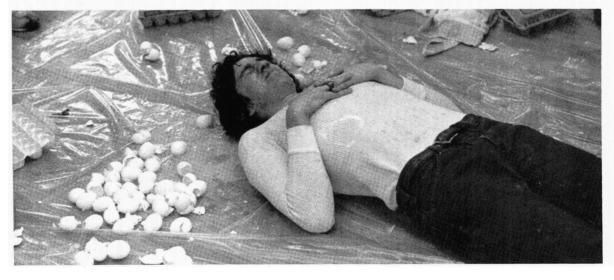

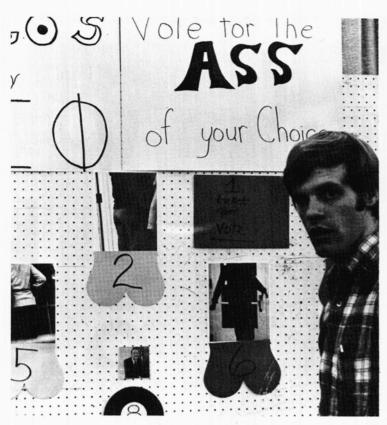

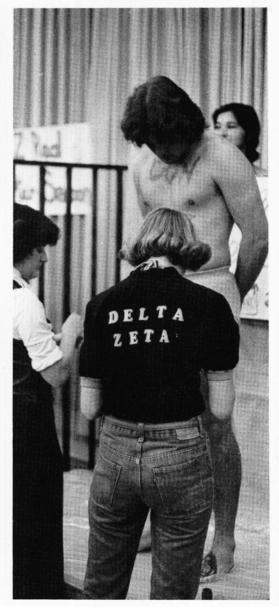

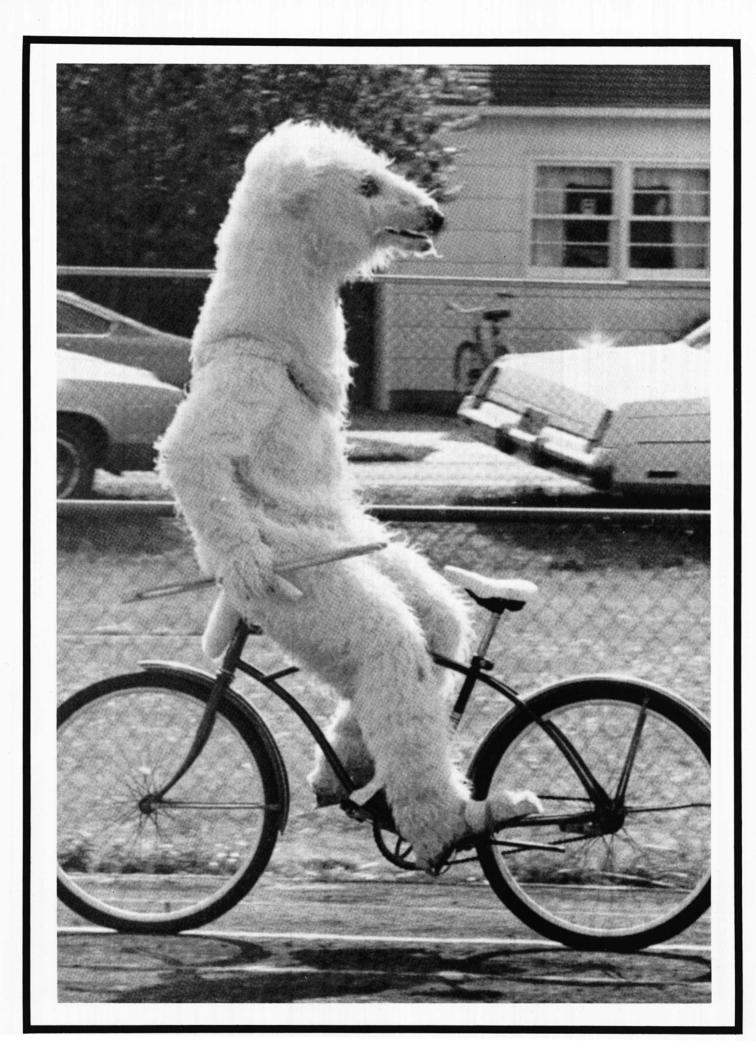

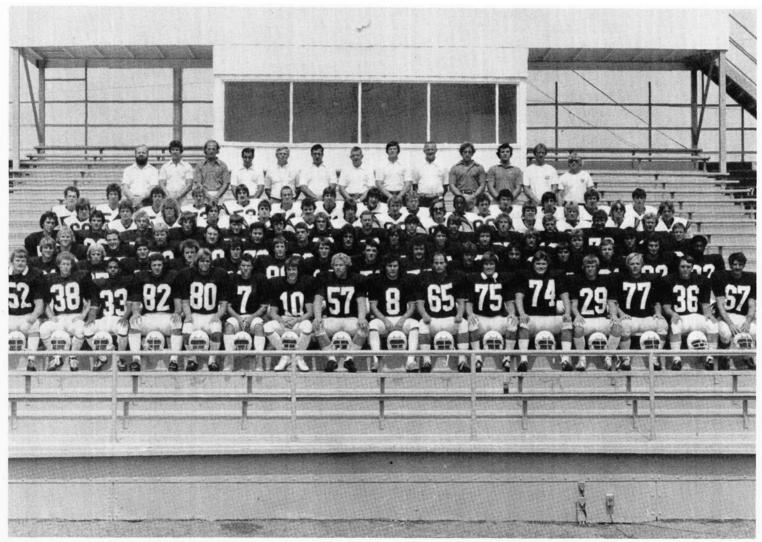

Football

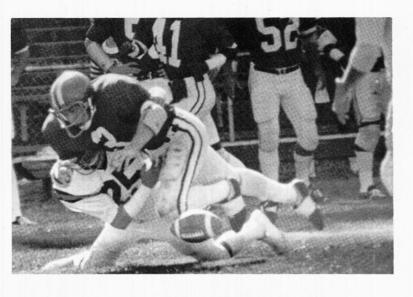

Defense was the name of the game in 1978. The Polar Bears allowed only 38 points in conference play and recorded a 10-7 victory over the College of Wooster in interdivisional Ohio Athletic Conference action. O.N.U. was 5-4 overall.

O.N.U.'s 4-2 conference record was good enough for runner-up honors in the Red Division. The Polar Bears were one play short of defeating the eventual NCAA Division III National Champion and OAC Champion, Baldwin-Wallace. Ohio Northern lost 7-3 after leading most of the game on Chris Knubbs' field goal in the first half.

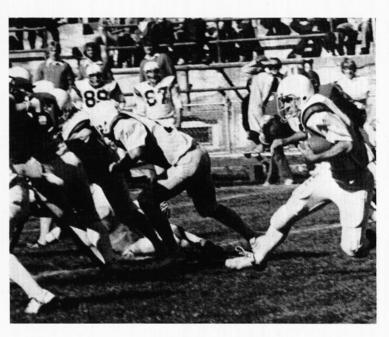

During the season, the OAC chose three Ohio Northern defensive backs with OAC Player of the Week honors. They were Terry Adkins, Jack Diamond, and Dan Smoot. Five Polar Bear athletes were honored with All-Ohio Athletic Conference honors. On defense they were junior defensive end Jeff Bok, senior lineman Jim Ducker, and senior safety Terry Adkins. On offense they were senior guard Chris Wilson and sophomore center Jim Augsberger. Senior defensive back Dan Smoot and senior lineman Fred Seling received honorable mentions.

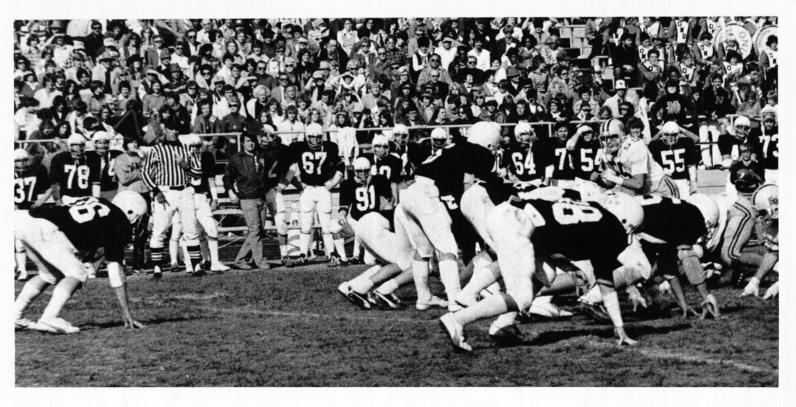

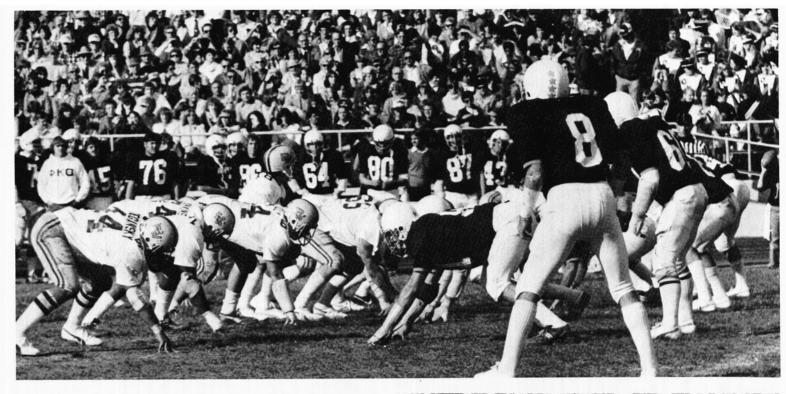

Row 1: Mike Mowry, Lee Day, Michael Warfield, Jim Ducker, Chris Young, Michael Martin, Terry Adkins, Chris Wilson, Dan Smoot, Mark Palmer, Mark McCall, Joe Kuchinski, Mike Kolakowski, Fred Seling, Dan Wich, Jeff Kuchar; Row 2: Chris Kubbs, Ron Fordyce, Tim Gobin, Mike Smith, Steve Barney, Rob Coll, Brian Rockhold, Jim Lewis, Dan Mathie, Richard McGarry, Mike Fichera, Jim Hazzard, Greg O'Neill, Jeff Bok, Bill Cochrane; Row 3: Don Rasmussen, Rick Legenza, Mark Longbrake, Jack Wender, Lester Sandy, Mike Hall, Keith Hall, John Wills, Tim Beck, Keith Shultz, Scott Ingram, Tom Kruger, Tom Sands, Mike Conley; Row 4: Greg Volchko, Phil Monnin, Greg Jacobs, Jim Augsberger, Jim Schnarre, Mike Mucahy, Steve Huffman, Kevin Haney, Jeff Jenkins, Cliff Kramer, Randy Shell, Mike Walton, John Grubbs, Matt Thiel; Row 5: Don Maloy, Joe Katzenstein, Brad Owen, Joel Geist, Ben Stahler, Owen Russell, Ken Rasmussen, Hugh Mclaughlin, Keith Laffin, Jeff Kennedy, Larry Egbert, Ken Post, Tom Klingler, Bill Deavers; Row 6: Dean Rogers, Doug Johns, Mark Kesselmayer, John Yawkovich, Jim Barry, Bill Swank, Dave McCallops, Steve Sherritt, Doug McDaniel, Bryan Marshall, Mark Grimslid, Stephen Mansfield, Mike Cramer, Rick Ary; Row 7: Jack Mansfield, Gene Bertsch, Ron Deem, Joe Campoli, Herb Strayer, Jim Laut, Wally Hood, Dick West, Arden Roberson, Mike Bloodgood, Greg Grimslid, Rick Krejci, Tim Myers.

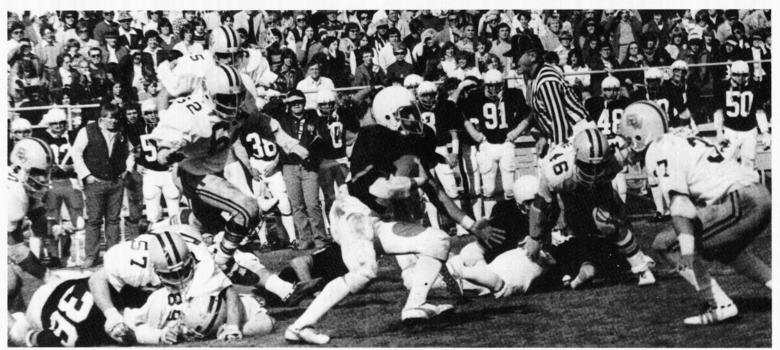

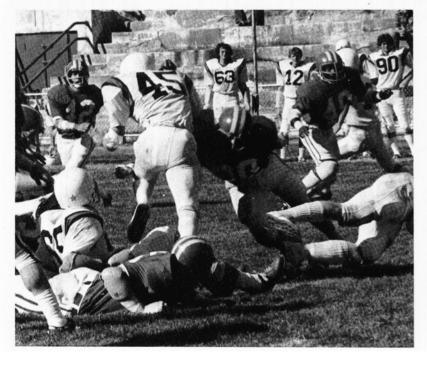

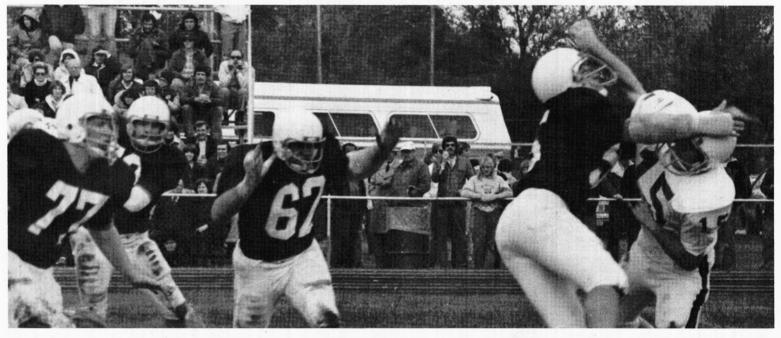

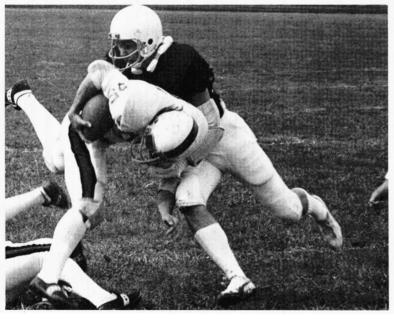

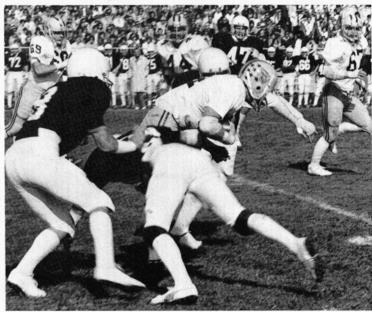

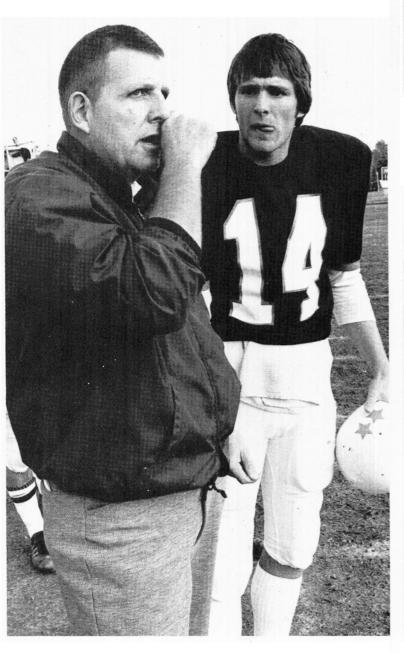

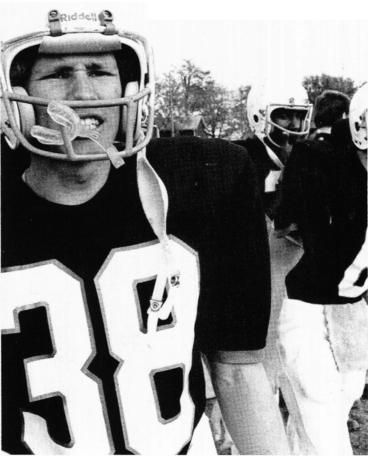

The ecstasy and . . .

... the agony!

Soccer

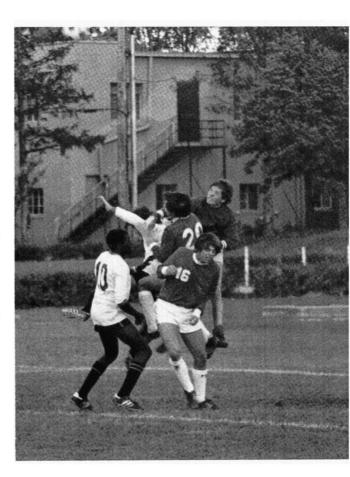

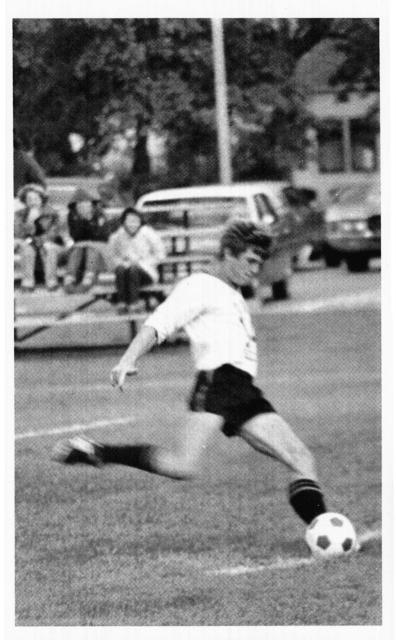

Row 1:Waheed Al Saaraf, Joe Seiro, John Daley, Mehram Avini, Kurt Thomas, Mike Grandillo, Jim Giles, Steve Shellhaus, Doug Wolfe, Demis Adenekan, Brent Walton, Ted George; Row 2: Steve Liles, John Brandt, Phil Caris, Mike Wilson, Sean Ryder, Steve Smith, Coach Bhattacharya, John Toth, Bob Wareham, Daryl Hoffman, Sunil Gehani, Mike Scaperato, Pat Cerillo.

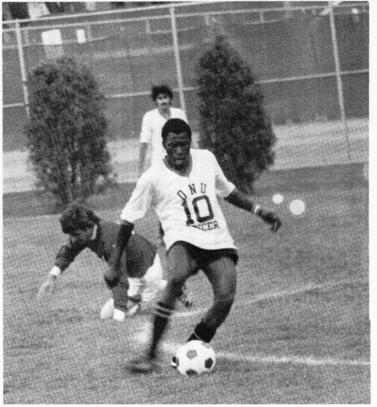

As was the case last year, the Northern soccer team finished on the upswing, but came up short again. The team ended the season with four straight wins to finish 7-3-2 overall and 3-1-2 in the OAC. This was Northern's second year of conference play, and the Bears finished-a respectable second in the Northern Division.

Indeed, it was the early season that hurt the Bears. Two ties with Mount Union and Kenyon proved to be costly for the Bears in their bid for a divisional title. They were edged out by Wooster, who finished on top. Earlier in the season, Northern dropped a double overtime 1-0 decision to Wooster. The Bears seemed to come up short all season long.

Jim Giles led the Bears in scoring with eight goals and three assists. The Bears are losing only two graduating seniors — Jim Giles and Mike Grandillo — both starters since freshman year. With a strong team returning next year, Coach Bhattacharya can hope to improve their overall and conference records, while keeping an eye on the divisional title.

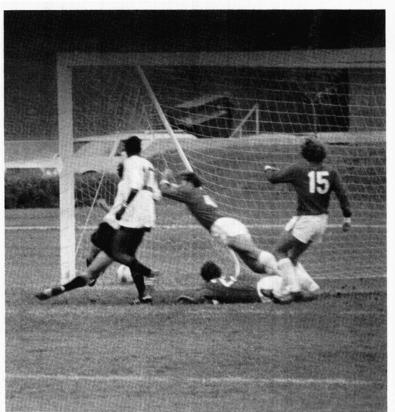

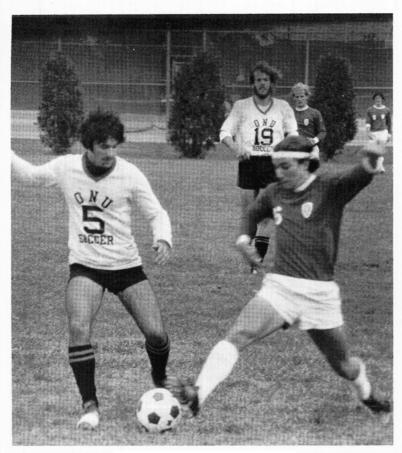

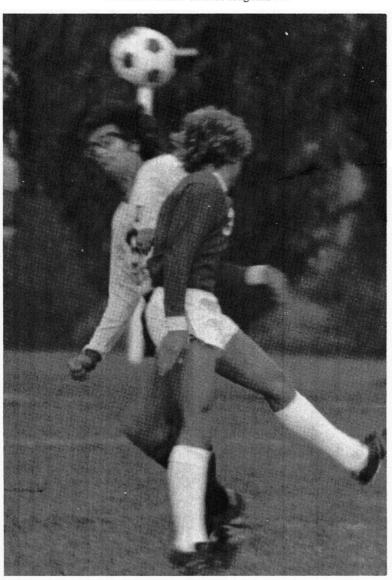

Northern soccer mounts an offense...

and scores!

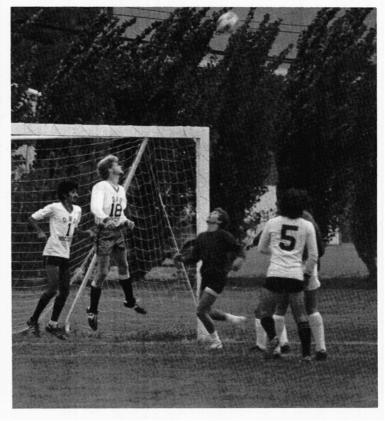

Northern soccer defense toughens ...

... and holds!

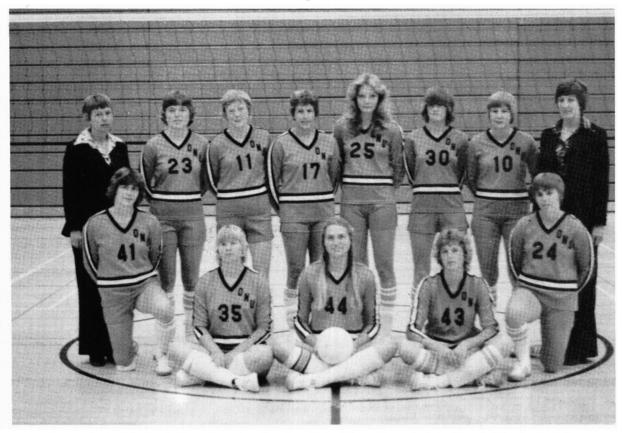

Volleyball

Row 1: Alicia Bell, Roxie Karg, Mary Ann Lotscher, Polly Wilkes, Darla Ludwig; Row 2: Miss Lauth, Julie Lenhart, Pam Duncan, LuAnn McCray, Theresa Kruger, Vicki Mauk, Cheryl Haupricht, Miss Wallace.

The 1978 season will be in the minds of O.N.U. volleyball fans for some time. Not only did Northern record its best record ever (28-9), it also established a new school record for victories in a season.

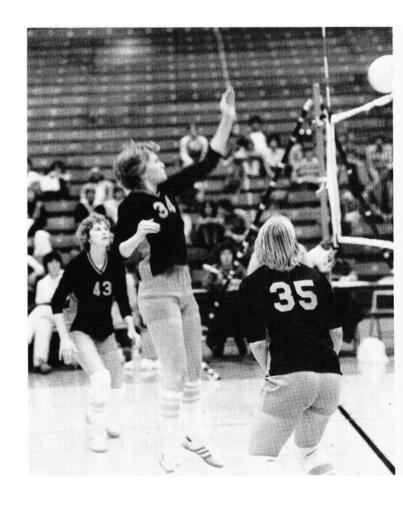

O.N.U. rode two nine-match winning streaks to place third in the Ohio Association of Intercollegiate Sports for Women, State Small College Volleyball Tournament.

The team's good fortune is due to three players. Seniors Polly Wilkes and Mary Ann Lotscher and junior Vicki Mauk became the first women athletes to be named to an all-state tournament team.

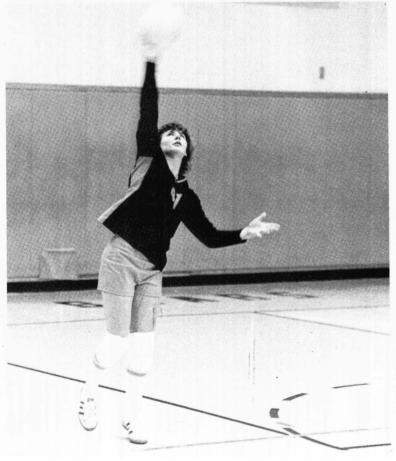

Feeling the season was over, the team held its recognition dinner after the conclusion of the state tournament. The team's third place finish was one short for an automatic bid to the regionals; however, to their surprise, O.N.U. received a bid marking the second consecutive season for participation in the regionals.

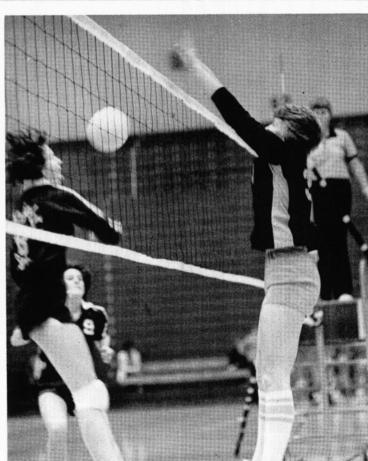

Another bright spot during the '78 season was the performance of the junior varsity team which held a record of 9-1. The JV's motto was "Look out Varsity ..."

With many fine players returning, next season isn't soon enough for the JV hopefuls and returning varsity.

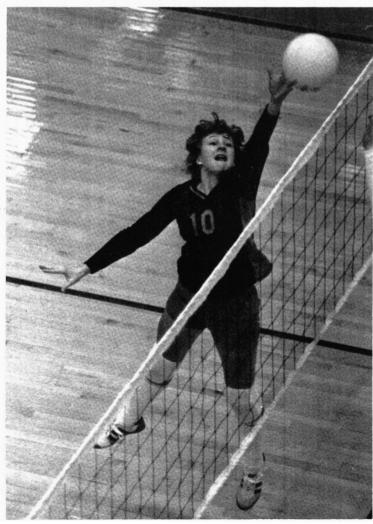

Cross Country

ROW 1: Jim Stotsky, Jim Long, Dan Schoenlein, Steve Kahla, Jeff Kline, Mike Becraft, Mitch Devoe. ROW 2: Tony Lenhart, Tim Tracy, Dave Strong, Gregg Cline, Bob Kile, Bill Chmelik, Mark Reynolds.

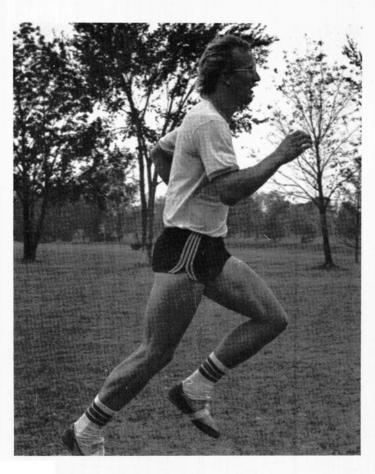

The Northern harriers continued the dominance of their sport as they completed a second undefeated season with a record of 9-0. The Northern cross country team is now undefeated in two and a half years of dual meets for a record of 23-0. Despite this seasonal dominance, they came up short for the second year in a row in their attempt to qualify for the NCAA Division II Regionals.

Led by Mike Becraft's first place finish at the OAC conference meet, the Polar Bears finished fifth. They needed to finish in the top four to qualify for the regionals. Becraft went on to the National where he finished a strong second.

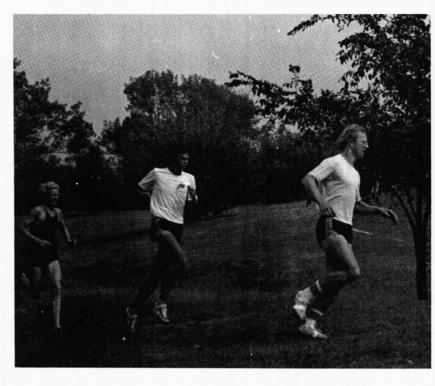

Despite their failure to qualify for the regionals, the harriers had what could only be termed as a superb season. They were led by the steady performances of such runners as Becraft, Chmelik, Reynolds, Schoenlein, Kahla, and Gregg Cline. Senior Jeff Kline also proved to be a consistent performer. Two freshmen, Tony Lenhart and Mitch Devoe, provided the needed consistency from young runners. All but two runners, Jeff Kline and Dave Strong who graduated, return next year.

With these returning veterans and the addition of some strong recruits, the Northern Polar Bear harriers should have the tools for an assault on an OAC championship.

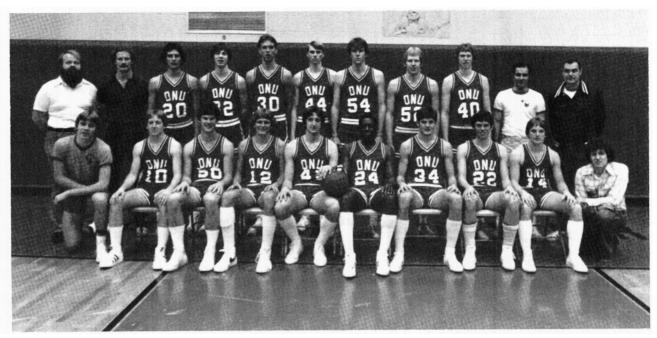

Basketball

ROW 1: Student coach, Joe Balogh, Lee Hood, Dave Smalley, Jay Meyer, George Thieman, Therome James, Pat Koester, Kent Baker, Steve Page, and manager, John Young. ROW 2: trainer Jack Mansfield, assistant coach, Mark Henschen, Tom Ferraro, Bob Pessell, Kyle Rogers, Stan Mories, Larry Jones, Mark Ouwerkerk, Jim Millward, assistant coach Joe Campoli, and head coach, Gale Daugherty.

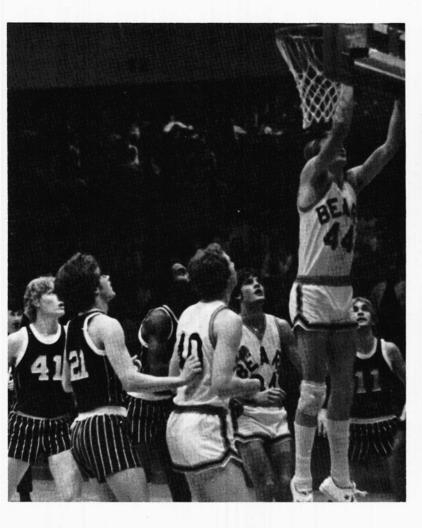

This season for the Polar Bear roundballers could only be characterized by the word inconsistency. The basketball team extended Coach Daugherty's seven year mark to 98-78 with an 11-14 seasonal record.

The Polar Bears opened their season strong and fast with a record of 7-4. Despite this fast start, the Bears found the month of January disastrous. During January the Bears lost eight straight games to tie a school mark for consecutive losses. The fact that ONU led in all of those eight games until the last four minutes makes the losses even more tragic.

The Bears finished the OAC schedule with a record of 4-10, which included three straight wins to set the stage for next season. The Polar Bears then went on to lose to Heidelberg in the first round of the OAC play-offs.

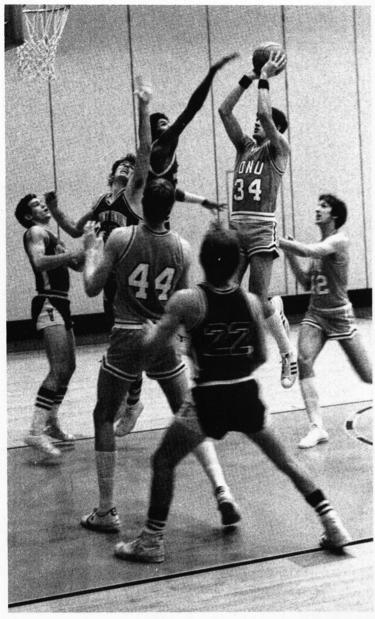

Coach Daugherty cited inexperience as the villain during the season. For most of the season, two freshmen, a sophomore, and two juniors were on the floor for ONU. Pat Koester led the Bears in scoring with an average of 18.0 points per game. George Thieman led the team and also the conference in rebounding with an average of 10.6 rebounds per game. Kent Baker received national recognition for placing fourth in the nation with a free-throw average of .905. Pat Koester also received OAC honorable mention honors.

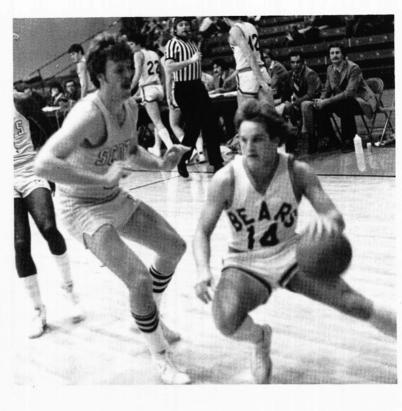

According to Coach Daugherty, the youth of this year's team may prove to be the asset of next year's team.

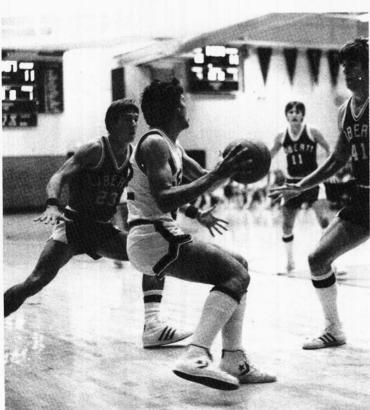

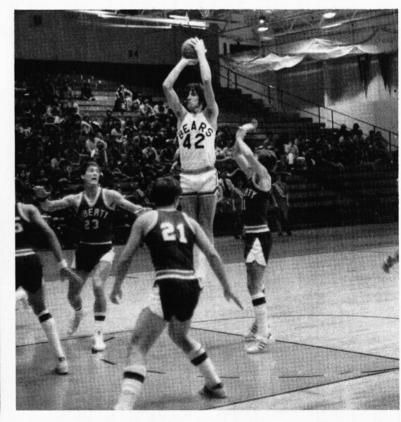

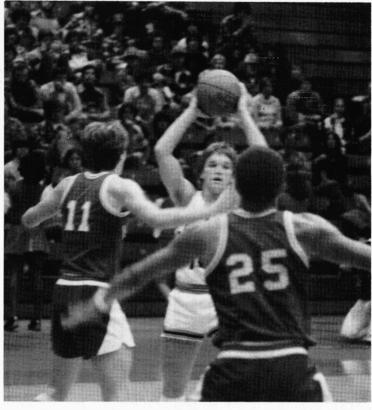

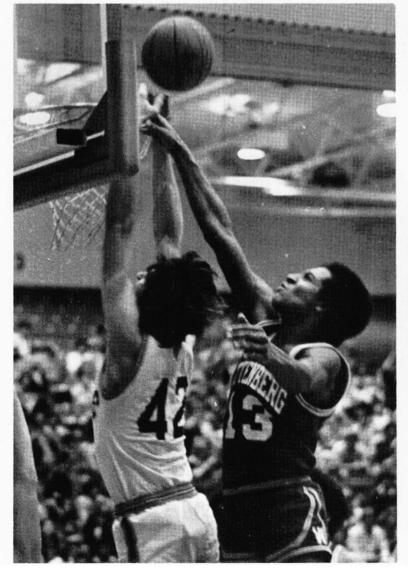

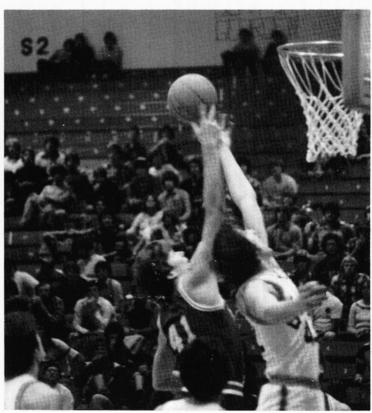

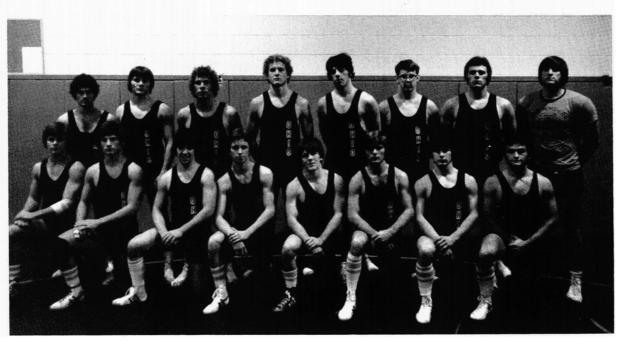

Wrestling

ROW 1:Larry Braun, Tim Gobin, Kevin Collins, Rick Peiffer, Mark Eshler, Doug Hedrick, Brad Beamon, Kent Blankenship. ROW 2: Tim Gaudio, Tom Tuttle, Jay Wagner, Jeff Fritz, Kelly Moyer, Jim Ducker, Coach West.

ONU's run at an unprecedented fifth consecutive Ohio Athletic Conference wrestling championship fell short due to a rash of injuries which shelved five out of ten varsity wrestlers. The Polar Bears were forced to settle for fourth place behind league champion Muskingum, Baldin-Wallace, and Mount Union. However, the Polar Bears compiled a record of 11-6 and enjoyed a winning year during Dick West's first season as head coach. ONU took victories from all six conference opponents that it faced in dual meets. ONU also won eight of its last nine matches.

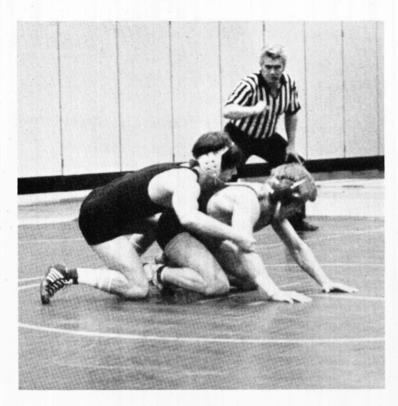

Brad Beamon, a junior, was the only ONU grappler to walk away with a conference title. He won the 142 lb. championship and an automatic bid to the NCAA Division III meet in California.

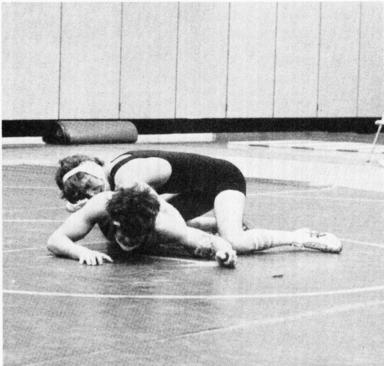

Senior team captain, 126 lb. Mark Eshler and junior 118 lb. Rick Peiffer, both returning OAC champions, had to settle for runner-up honors in their respective weight classes after suffering injuries. Eshler's record of 21-3-1 was the best ever compiled by an ONU grappler. He and Peiffer (16-5-9) received at-large bids to the NCAA Division III meet.

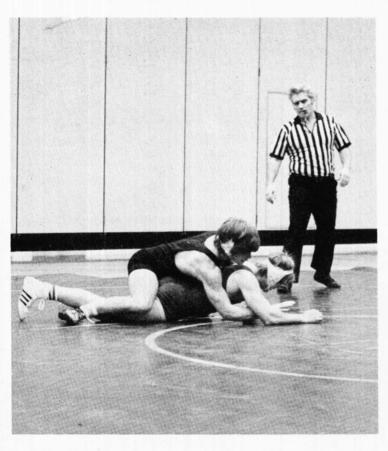

The ONU surprise of the OAC meet had to be sophomore Kelly Moyer in the 177 lb. classification. He defeated the number three seed in the first round and went on to finish fourth.

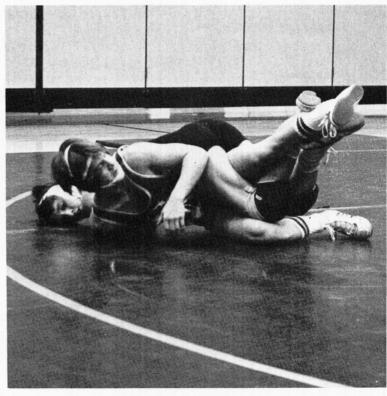

Coach West saw a silver lining in the cloud surrounding the injuries which plagued ONU this season. He felt that the injuries gave some determination to many of his grapplers.

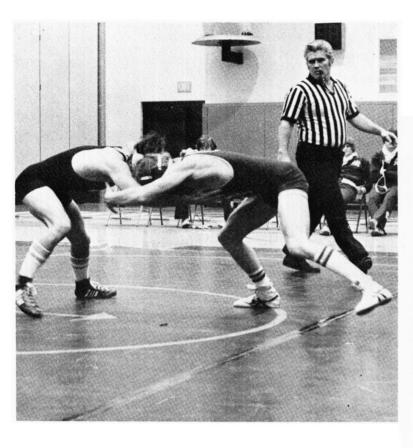

"The injury situation which hurt us this season may prove to be a blessing in disguise for next year's team. Each wrestler has talked to me about his plans for the upcoming season. I believe the guys want the championship more now than they did this past season," he said.

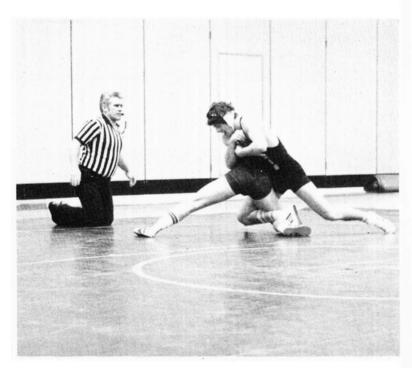

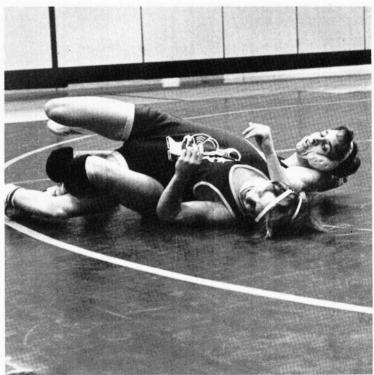

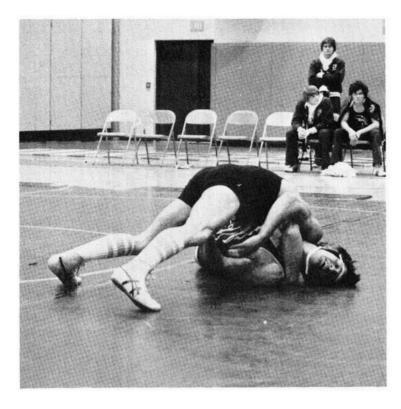

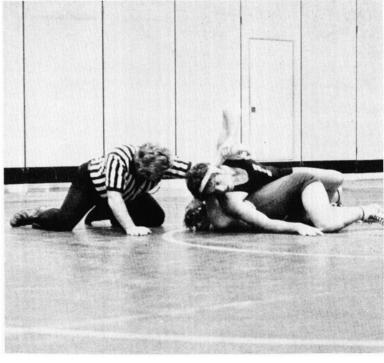

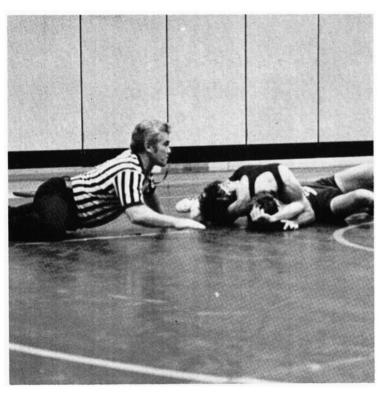

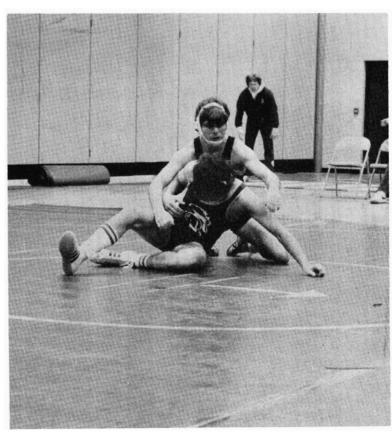

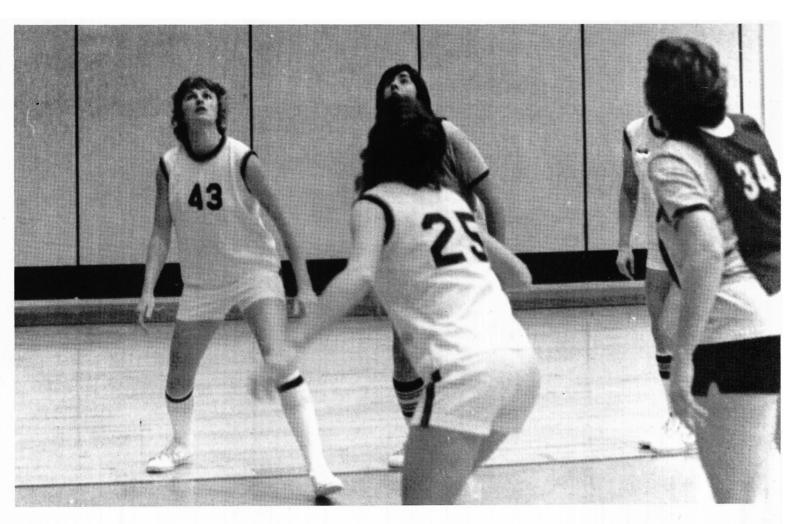

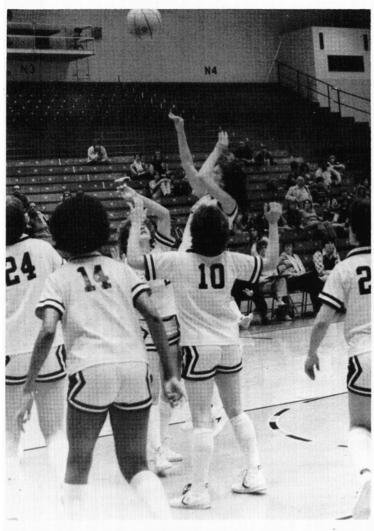

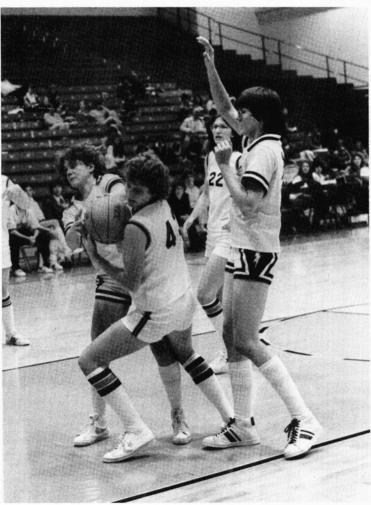

Women's Basketball

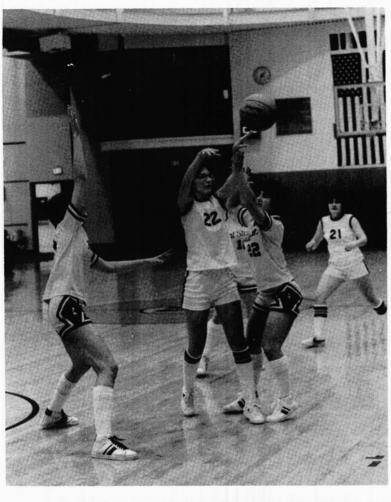

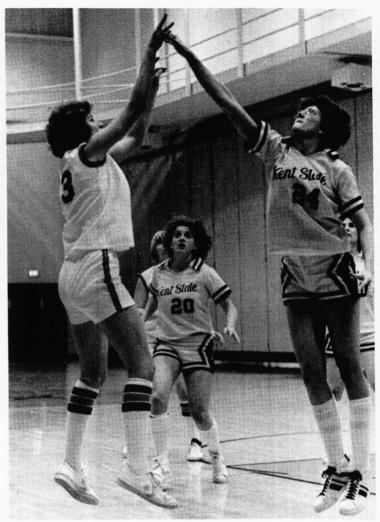

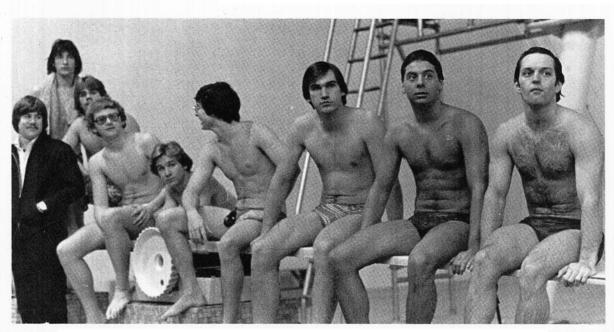

Swimming

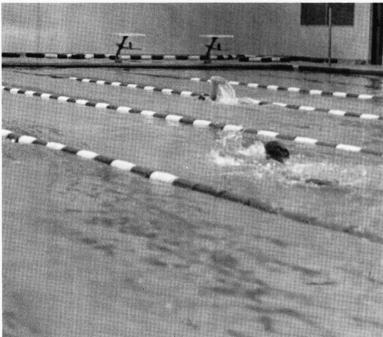

Left to Right: Art Reiger, Bill Tatum, Bob Boehk, Juergen Nolde, Rich Aronson, Don Younglove, Tim Moser, Shawn Bogenrief, and Dean Beer.

The ONU swimmers marked their inaugural appearance in the Northern sports arena with a seasonal record of 2-5 and a last place finish in the OAC championships.

However, the team did gain valuable experience to put to use in the coming seasons. The team did have many fine individual performances, but lacked the depth to perform well as a team. Despite a dismal season, the team's key is that they showed a lot of promise for the future. At the OAC meet, Tim Moser recorded the highest Bear finish with a ninth place finish in the 100-yard breast stroke.

Men's Tennis

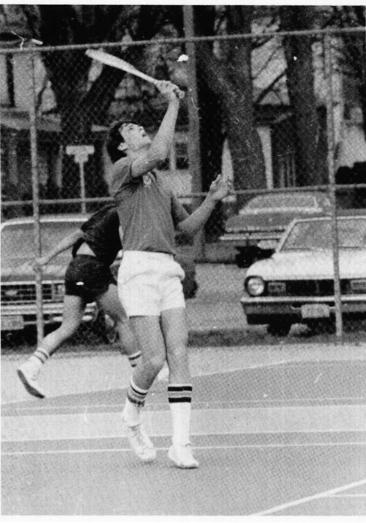

ROW 1: Sunil Gehani, Mike Swick, Tom Fitzgibbon, Dextor Woods. ROW 2: Coach Roberson, Rick Arthur, Tim Abraham, Lee Hood.

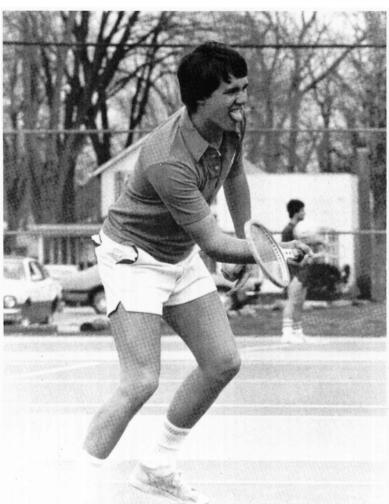

The men's tennis team completed the 1979 season with a strong seventh place finish in the Ohio Athletic Conference championships. Every ONU player scored in the event in which they failed to score last year. The Bears finished the season with a record of 5-4 under the direction of head coach Arden "Stretch" Roberson.

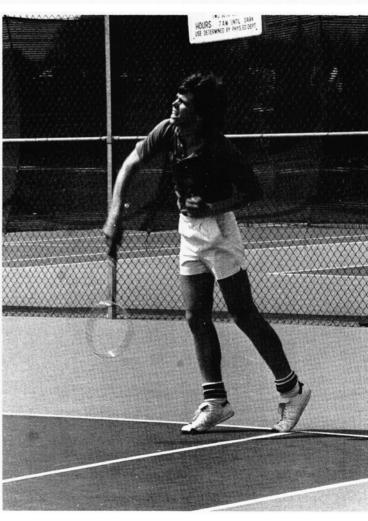

Lee Hood ended the season with the team's best singles mark with a mark of 7-2. Tom Fitzgibbon and Mike Swick teamed up for the best doubles mark at 6-3 in the first doubles.

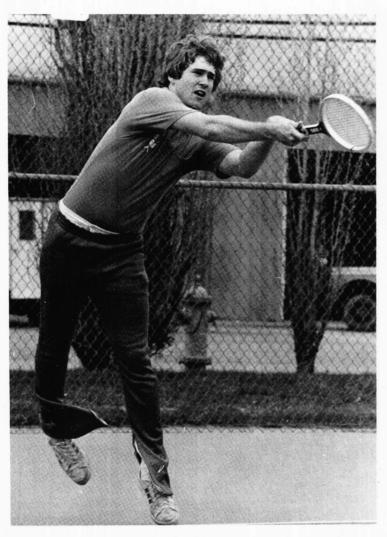

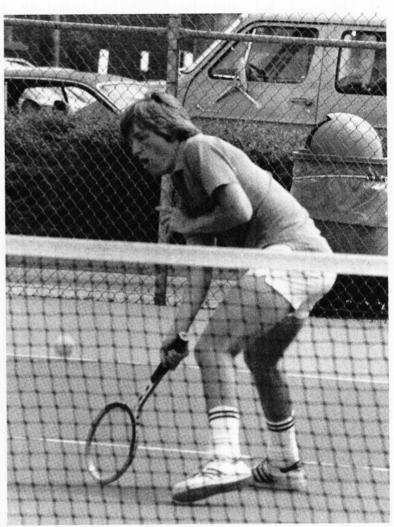

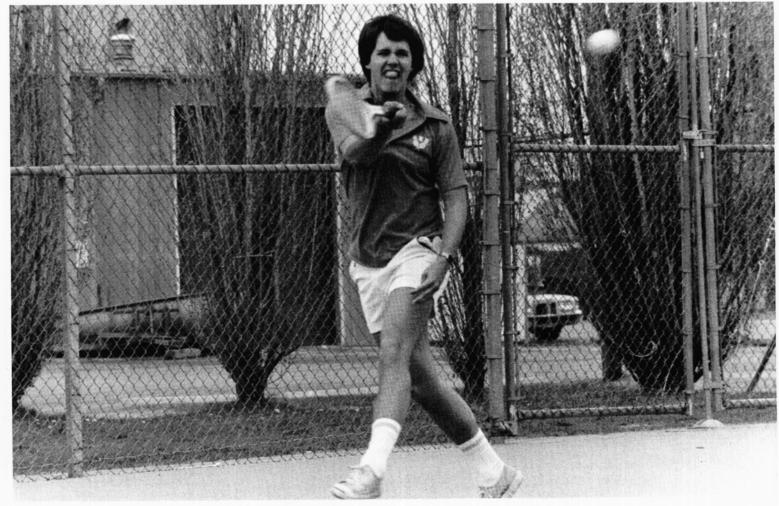

Baseball

ROW 1:Dave Rowland, Terry Adkins, Bill Baron, Brad Williams, Jeff Schwerer, Steve Barney, Steve Page, Lance Bucholtz, Ron Burgei. ROW 2: Coach Strayer, Mark Thompson, Rick Barger, Mike Martin, Chris Kubbs, Doug Rosenbauer, Jeff Nischwitz, Huck Hayes, Steve Dackin, Scott Ingram.

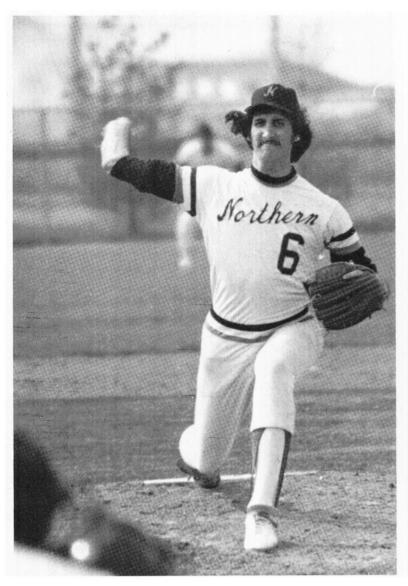

The baseball season could best be described as wet and streaking. The Polar Bears had nine games rained out during the season, but managed a season record of 13-9 to extend eleven-year Coach Herb Strayer's string of winning seasons to eleven. Throughout the season, the Bears played in streaks; the Bears had winning streaks of five and four, but a disappointing losing streak dampened the hopes for a conference title. The Polar Bears finished with a record of 6-4 which put them in third place behind Northern Division winner Wooster.

The team fielded seven hitters with .300 plus batting averages. Sophomore Scott Ingram led the team in hitting with a sizzling batting average of .375; he was the team's designated hitter. He was followed by Steve Barney (.364), Mike Martin (.346), Bill Baron (.341), Steve Page (.338), Lance Bucholtz (.308), and Terry Adkins (.303). Mike Martin again led the team in seven offensive categories: at bats (78), runs (20), hits (27), RBI's (18), home runs (4), total bases (46), and slugging percentage (.591). The team finished with a batting average of .278.

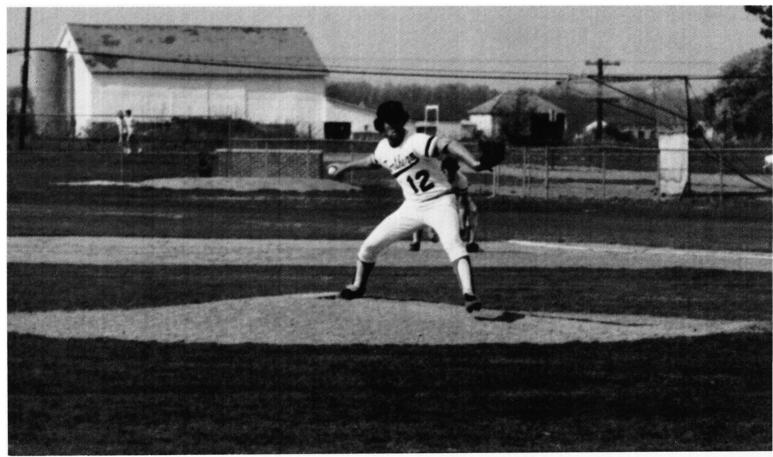

The team was led in pitching by sophomore Scott Ingram who allowed only four earned runs in thirty-one innings for an ERA of 1.15 and a record of 3-1, Junior Jeff Schwerer finished the season with a record of 3-4 and an ERA of 2.58. Freshman Dave Rowland also finished the season with a perfect 3-0 record.

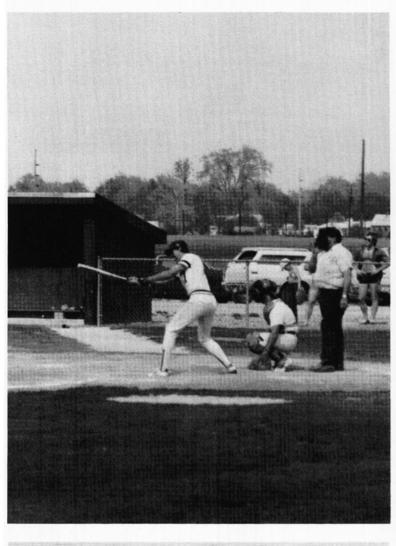

The Bears lose only three players to graduation; they are catcher Bill Baron, third baseman Terry Adkins, and centerfielder Mike Martin. According to Coach Strayer, "It's going to be tough to replace Martin. Mike has been a outstanding outfielder for the Bears in his four-year stint at ONU. The two greatest disappointments of the season proved to be the wet weather and the loss due to injury of freshman pitcher Jeff Nischwitz, who led the OAC with an ERA of 0.47 last year."

The Bears' prospects for next season look good as they return the entire pitching staff and five starters in the field.

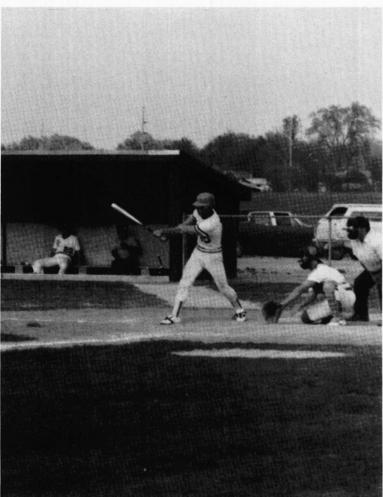

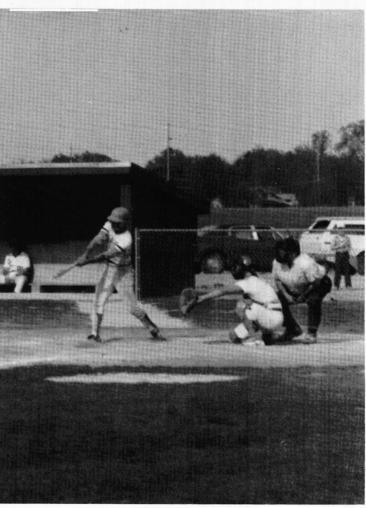

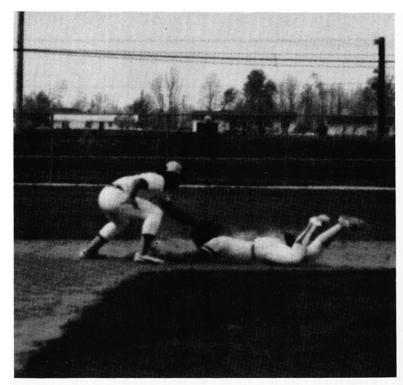

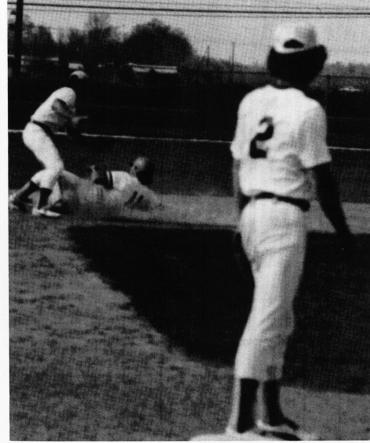

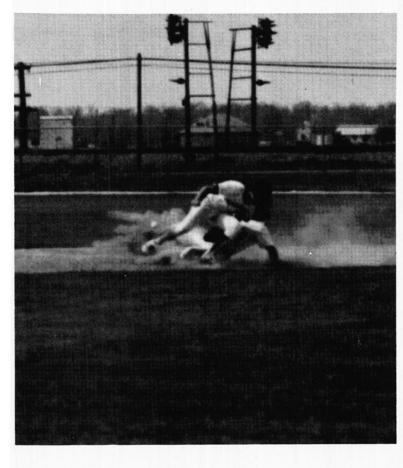

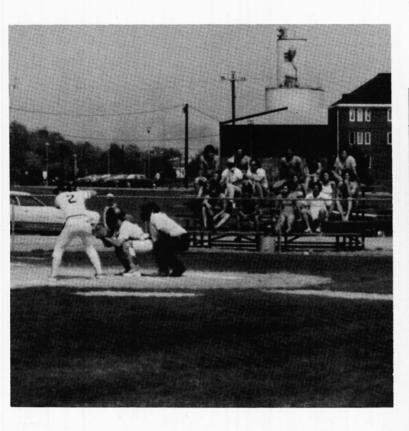

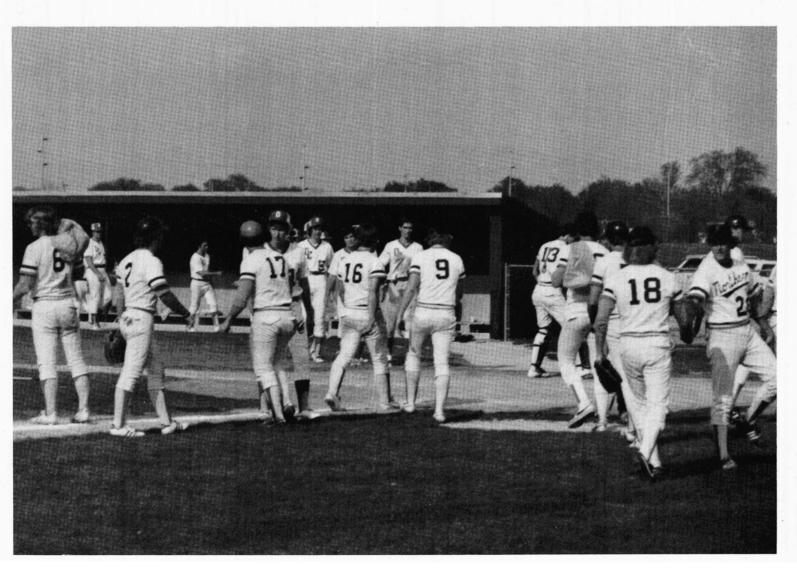

Women's Tennis

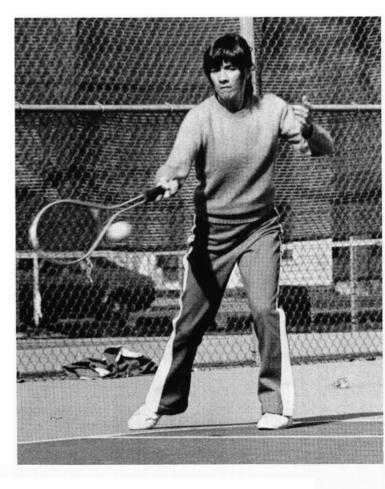

ROW 1: Tammy Haning, Carol Patrylak, Val Weaver, Cindy Keener. ROW 2: Betsy Faulkner, Ann Stark, Linda Nichols, Cathy Swartz, Coach Wallace.

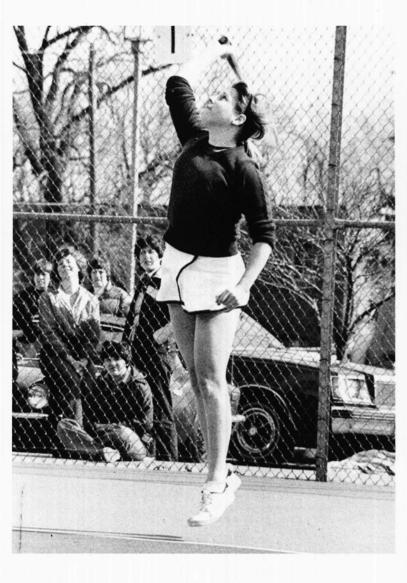

ONU's women's tennis team completed the 1979 tennis season with a record of 5-4 and a post-season appearance in the Ohio Small College Tennis To Tournament at Oberlin College.

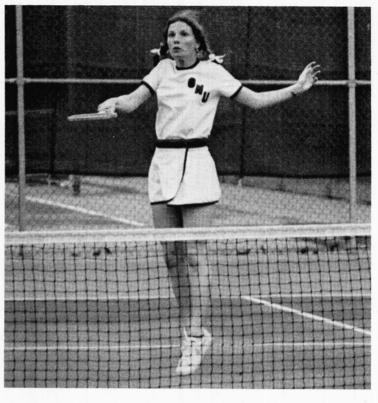

The second doubles team of Val Weaver and Linda Nichols, both seniors, along with singles player Cindy Keener advanced to the semi-finals before bowing out of the tourney. Weaver and Nichols took the number one seeded team from Oberlin into three sets before they were eliminated. Keener was seeded second in sixth singles. By losing the semi-final round, these girls placed in the top four in the state.

Ohio Northern chose not to compete for the state title as a team. ONU was part of the flight division at the tournament which is for teams wishing to be ineligible for regional competition. ONU would have finished sixth in the state had they elected to compete in the point division of the tournament.

At the end of the season, Cindy Keener had the best singles mark at 6-3 while the doubles team of Weaver and Nichols had the best mark at 7-4.

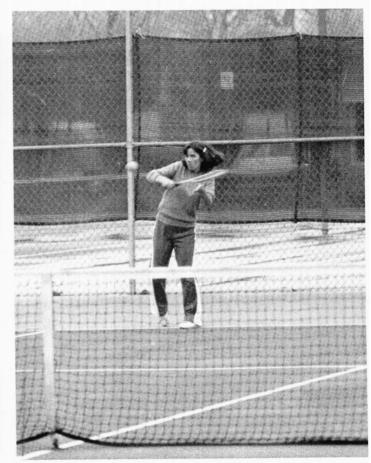

Track

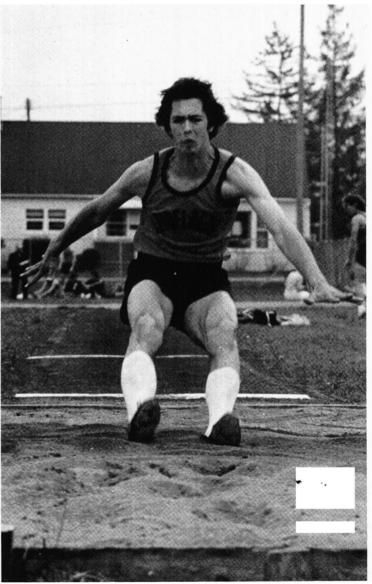

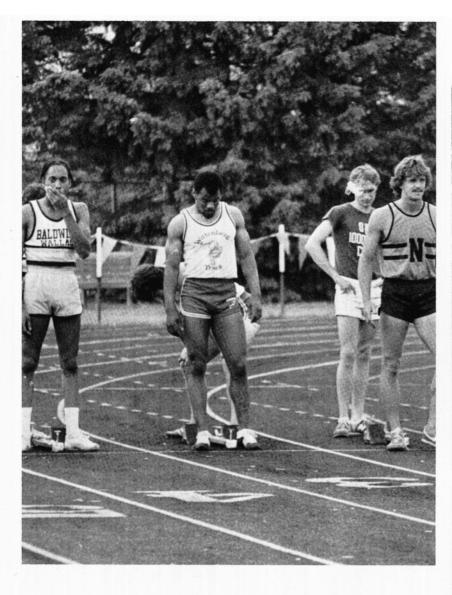

Ohio Northern's track team's hopes of capturing another second place finish at the OAC championships fell short this year as the team finished fourth behind winner Baldwin-Wallace, Mount Union, and Otterbein.

During the season, the Bears were quite successful as they won all but two dual meets, finished fifth at the OAC relays, and won the Wooster Invitational.

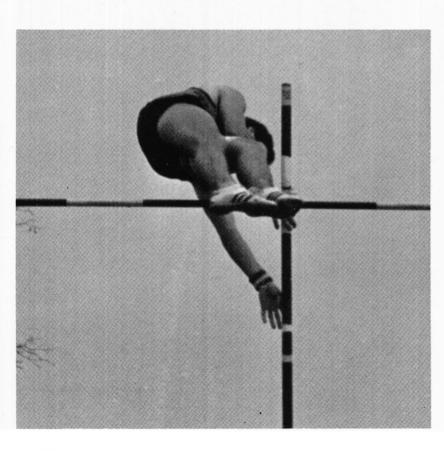

The Bears had only one OAC champ, Gary Maul, who captured the long jump. The 400-meter relay team of McGarry, Henderson, Maul, and Warfield, long-jumpers McGarry and Maul, triple jumper Henderson, and pole-vaulter Scott Green were all sent to compete in the Nationals. The big star for the ONU team was Melvin Henderson, who placed in five events for the Bears.

Throughout the season several school records were set. With the addition of a few key people to the team, the cindermen may have the over-all strength to capture a conference title next year.

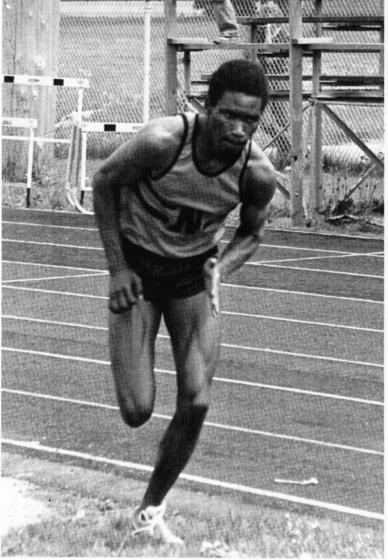

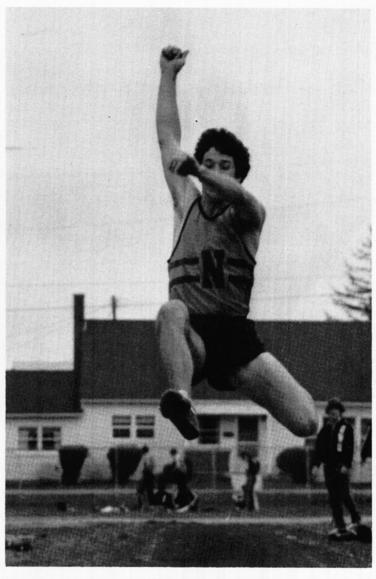

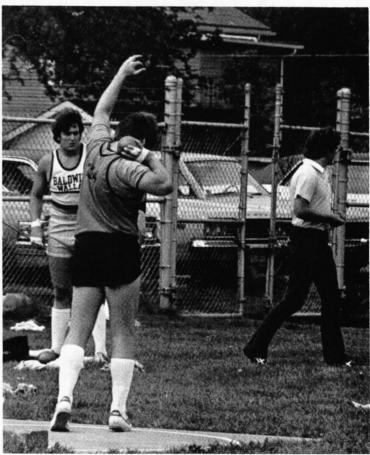

Softball

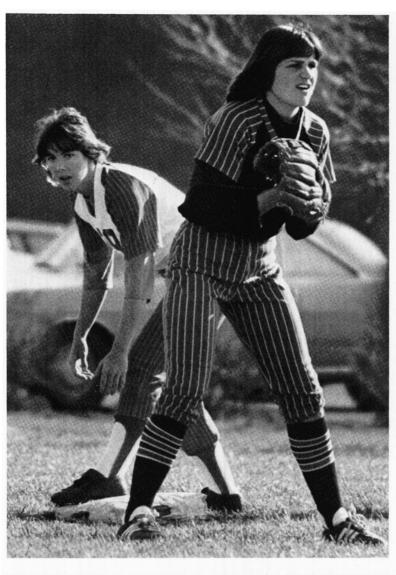

Ohio Northern's women's fast pitch softball team used timely hitting and the arm of freshman Pam Canady to finish the 1979 season as the third best fast pitch softball team in the state of Ohio.

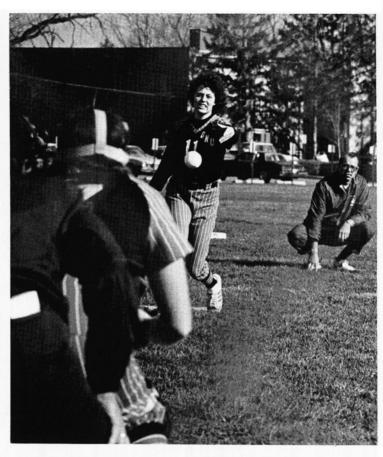

"No one expected ONU to get past the first two games of the double elimination tournament," said ONU head Coach Gayle Lauth. "We had lost to every team in the tourney, but that did not matter to the girls, who really played up to their potential in the Ohio Association of Intercollegiate Sports for Women State Tournament.

"After defeating Muskingum College, a team which had twice defeated ONU in the regular season, in the opening round and Kent State University, the top seed in the tourney, in the second round, the Polar Bears set their sights on capturing the runner-up spot in the state," said Coach Lauth.

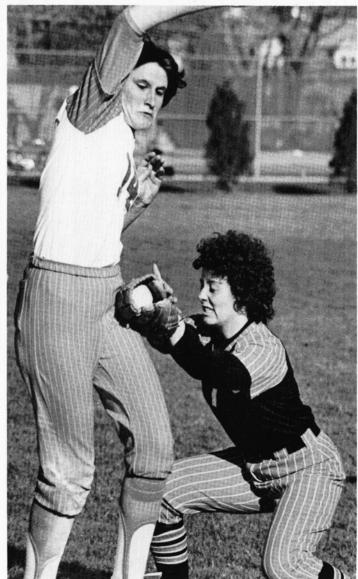

The Polar Bears defeated Kent State 8-7 in extra innings when Stephanie Lutz singled home Pam Canady, the winning pitcher, with two out in the ninth. Canady, along with Vicki Mauk, Polly Wiles, and Cheryl Haupricht each had two hits against the Flashes. The Polar Bears lost the runner-up spot to BGSU when BG scored a run in the ninth to take a 4-3 victory. ONU had led 3-0, but the Falcons tied it up in the fifth.

Ohio Northern closed out the season with a 6-11 record.

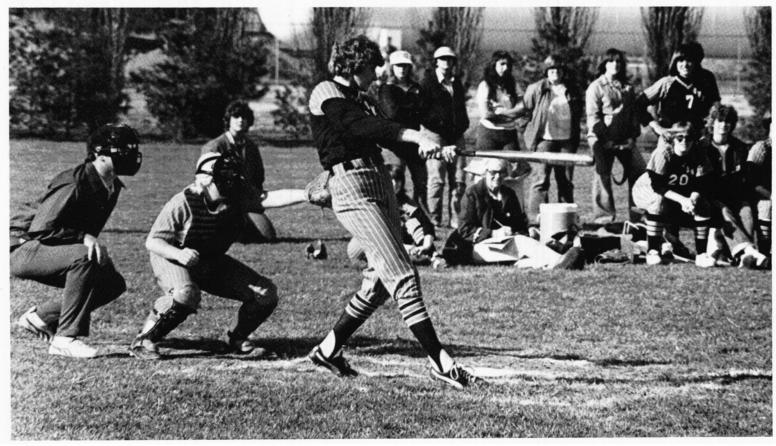

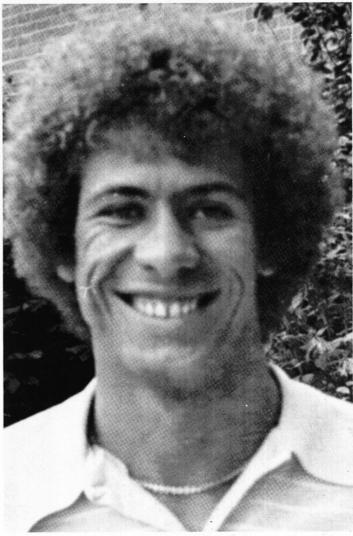

Golf

The Polar Bear linksters had a disappointing '79 season, but much was due to lack of experience. The entire team was made up of freshmen and sophomores, thus the future looks promising for the golf team.

The Bears finished 12th out of thirteen teams at the OAC championships despite a fine performance by Jay Wagner. In the 54-hole event he shot a 231 which was good enough for seventh place. By placing in the top ten, Jay earned all-conference honors to become the second Ohio Northern linkster to achieve that status.

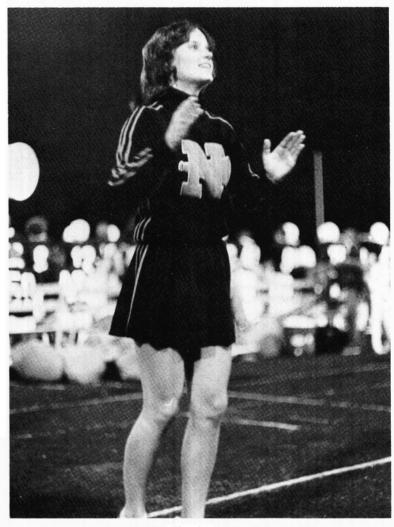

Cheerleaders

Ohio Northern's cheerleaders can only be called the "most spirited group" on campus. They cheer on the Northern athletes all year long. While fan support may dwindle or not exist at all, the cheerleaders keep cheering for the teams of ONU. Whether winning or losing, athletes can hear the cheerleaders cheers throughout the entire contest.

The cheerleaders' backgrounds are all very different; each one is unique, but at a game they are united in one common goal. They cheer for the team; they cheer for the crowd; but most importantly, they cheer for ONU.

Togetherness

Cheering!

and Jill McFarlin!

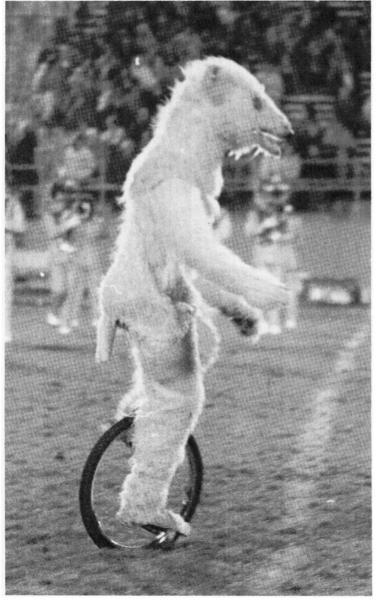

O.N.U.'s Bear

Another character who helps maintain school spirit is the O.N.U. Polar Bear. Known for his crazy antics, the "Bear" can be seen at any football or basketball game doing what he does best — having fun as he entertains and gets people involved in the sport. The '78-'79 Polar Bear was Ron Riechman, a junior from Leipsic, Ohio.

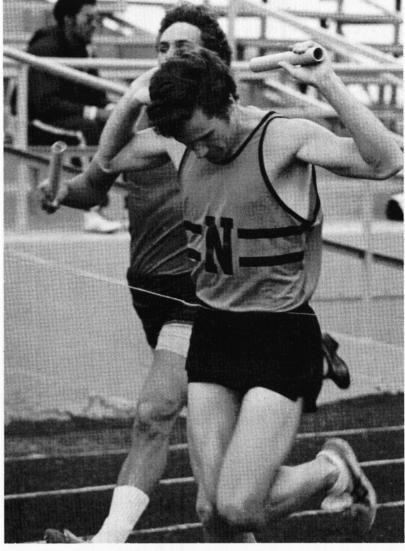

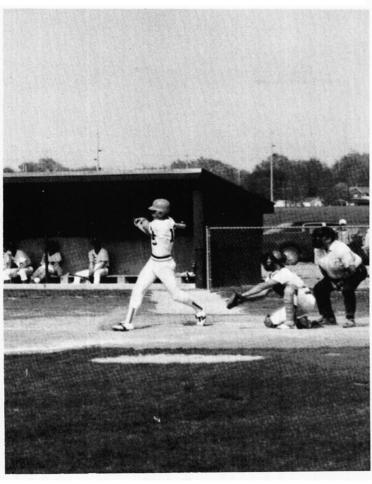

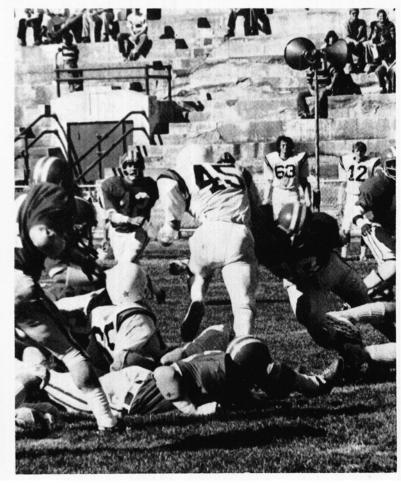

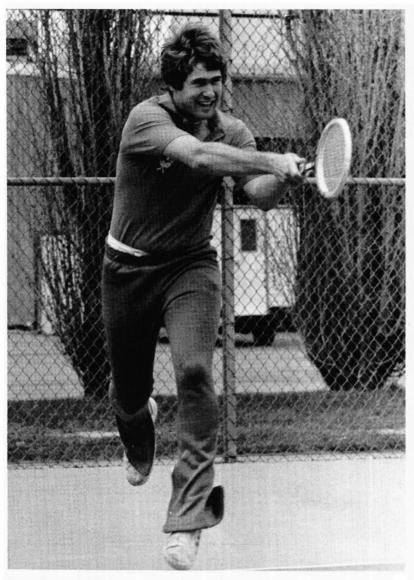

Sports: A Way of Life

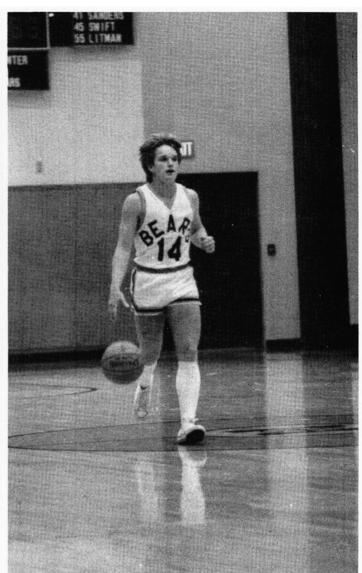

Athletic events have many personalities on the ONU campus. They are a form of physical activity for some and a source of entertainment for others. The ideals of personal achievement as well as team spirit are emphasized; ONU sports also emphasize the virtues of sportmanship and true competition. Although all of the above characterizes sports at ONU, the ideals of higher education and learning is one of utmost importance. Participation in sports is a way of attaining this ideal and therefore, an integral part of ONU life.

Claude W. Pettit College Of Law

Ohio Northern University's Pettit College of Law, founded in 1885, is the second oldest law college in the state of Ohio. The Claude W. Pettit College of Law is a member of the Association of American Law Schools, is accredited by the American Bar Association, and is a member of the League of Ohio Law Schools. It offers a three-year degree program leading to the Juris Doctor degree.

Northern's law program is directed toward preparing students for the practice of law in any state. Its curriculum is based on the law of all 50 states and the federal government. Currently there are more than 500 students enrolled, with over 1,500 law alumni practicing in 35 states. The curriculum is designed to give our students a thorough grounding in the principles of law as they will be useful in practice, and an appreciation of the law as a social institution capable of contributing to the welfare of society and promoting desirable changes in it.

The college of Law contains the Jay P. Taggart Memorial Library, a student lounge, a large classroom which is also used as a courtroom, three classrooms, four seminar rooms and 17 faculty offices. The Jay P. Taggart Library now houses over 90,000 volumes. Because the library is a government depository, it contains an abundance of primary research material. Also, the library offers the service-of LEXIS/OBAR computerized research. Students, faculty, alumni, and practicing attorneys have found the computerized research a valuable tool.

We recognize that our primary responsibility is teaching students. We believe that learning takes place most effectively where opportunities are provided for individual contact and counsel. There is a considerable degree of classroom participation and freedom to consult with professors, who are readily available for conferences. Every effort is made to create a highly personal relationship between the faculty and students, in which human values and the dignity of the person play an important part, just as should be true in the practice of law.

The students are provided with a large variety of activities. A student may become active in the organization of the law school by participating in the Student Bar Association and its various committees, or there are two legal fraternities in the school. There are also two newspapers which are staffed by students. The University also provides a law school division of intramural sports which the law students have been very active in, in the past. Some of the sports include basketball, softball, racquetball and football.

Law Review

The Ohio Northern Law Revies, a highly respected law journal of the Claude W. Pettit College of Law, is edited and published by the students of the College of Law. Published four times a year, the Law Review consists of leading articles on current legal topics, student comments on legislation and recent decisions of the federal and state courts or administrative agencies, and selected symposia presentations on varied legal topics.

An invitation to join the staff of the Law Review is based upon academic achievement and demonstrated writing ability. Membership on the Law Review is a tribute to scholarship and among the highest honors a student can attain at the College of Law.

The Ohio Northern University Law Review represents Claude W. Pettit College of Law in the legal community at large, and thus encourages the submission of ideas, comments and publishable works from the faculty, students, and alumni.

Moot Court 1977-1978

During the 1975-76 year the Moot Court organization reorganized and expanded its internal operations in preparation for an expanded national program. Students initially become involved in the Moot Court Program as second-year students through the Celebrezze Competition, named after distinguished alumnus Judge Anthony J. Celebrezze of the Sixth Circuit United States Federal Court of Appeals, structured to develop abilities in brief writing and oral advocacy. In the fall quarter these students thoroughly research a complex and relevant fact situation and then write Supreme Court quality briefs based on their research. During the next quarter they argue both sides of the problems against other participants before judges composed of professors, practicing attorneys and senior Moot Court members. Based on its competition, the four most successful students make up the National Moot Court Team during the fall quarter of the third year.

Preliminary to this National Competition, members argue at the Sixth Circuit LSD/ABA Competition in the spring. As seniors, National members research, develop arguments and write Supreme Court briefs submitted to their regional "court" for evaluation followed by a presentation of their oral arguments.

Through completion of the Celebrezze Competition students become members of the Board of Advocates in at least six competitions including the Fall Nationals, National Client-Counseling, LSD/ABA Spring Arguments, Jessup International Competition, University of Buffalo Tax Problem and Intra-Ohio Competition.

In 197S-76 the Moot Court Program was approved by the National Association of the Order of Barristers for charter membership. Together with 60 other member schools the chapter provides an honorary for outstanding moot court members on the basis of achievement and contributions in the advocacy field. Schools having chapters in The Order include those nationally recognized for outstanding moot court programs and for successful participation in regional, national, and international moot court competitions.

Moot Court 1978-1979

International Law Society

A steering Committee for a Student International Law Society was established in the spring of 1976 at the law school with the objective of establishing a branch of the Association of Student International Law Societies. The Society organized in the fall of 1976 with the objective of sponsoring forums, guest speakers, career days, and other events; co-sponsoring the Jessup International Law Moot Court Competition with the Moot Court Team and supporting exchange programs such as the Icelandic Exchange Program currently in effect at the law school.

Legal Association For Women

In the spring of 1975 the Student Bar Association officially accepted the constitution of the Legal Association For Women, an organization which deals with those areas of the law and aspects of professional development which are of special interest to women.

In the 1975-76 academic year the association, with the assistance of an ABA/LSD grant sponsored a series of twelve films and speakers in various areas of Women in Law. Membership in the group is open to all law students.

Although a new organization, the association has played a key role in subsidizing the educational and social programs at the law school. This year the organization sponsored a three day Women in the Law seminar and they also sent a delegation to a national seminar in Texas, which the ladies had worked and payed for on their own. This organization is a true credit to the law school.

Other Organizations In The Law School Which Add Much **To** The Educational And Social Concerns Of The Students...

ATLA

BALSA

The primary purpose of the Black American Law Student Association is the advocacy of the interests of Black law students and other minority students who may be of a racially or culturally deprived background. BALSA seeks to enhance the welfare and interests of these minority groups by assisting with information pertaining to the law school, the securing of loans, scholarships and/or other financial assistance, seeing that the curriculum is attentive and relevant to the needs of minority group members, preparing an adequate orientation program for new students, and helping prepare minority students to assume the duties to meet the legal needs of the Black communities.

Another aspect of the program is to foster awareness among Ohio Northern law students, faculty and administration of the existence of a multi-cultural and racial society with a view toward adjusting the law school environment to reflect that phenomenon and make it more conducive to those who are non-white.

Criminal Law Society

The Criminal Law Society provides further educational opportunities for those students interested in that area of the law. They sponsor an active "ride-along" program with the Lima Police Department in addition to the National Mock Trial Competition, and speaker and film presentations.

Student Bar Association

All students, upon admission to the College of Law, become members of the Student Bar Association, an organization which undertakes student activities of general interest and importance to the College of Law and its program.

The Association runs under a senate form of government, with a President, Vice-President, Secretary, Treasurer, Sergeant-at-Arms, Parliamentarian, and three representatives elected from each of the three classes. The SBA is affiliated with the Ohio Federation of Law Schools and the Law Student Division of the American Bar Association.

Unlike student governments in many schools, the Student Bar Association plays an active role in the administration of the Pettit College of Law and share equal votes with the faculty through such organizations as: Orientation, Admissions, Fundraising ABA/Accreditation, Adjudicatin, Films, Communications, Honor's Day — B'Roast, Law Day, Curriculum, Barrister's Ball, Placement, Continuing Legal Education, V.I.T.A. Project and TASK-Force on Changeover to Semester Calender. These committees do much to develop the law schools educational and social opportunities for the students and the prestige of the school.

WRIT

The WRIT is a student-alumni pulbication funded by the Office of Communications but published twice each quarter by the law students themselves. The publication not only highlights faculty, students administrators and alumni, but also is a source of accurate, timely information for the law school community.

The WRIT provides much to the student body with its commentaties and pictoral coverage of many of the school's and organization's many activities.

The school should give a special thanks to Don Berno and especially Rich Henry for taking the time to take the pictures which were available for this yearbook.

The First Amendment

The FIRST AMENDMENT is a monthly student newspaper, funded by the Student Bar Association. Since its inception it has effectively served as a forum for student opinion. The contents of the paper are as varied as the imaginations of the contributors, and has been a mixture of news, humor, and rumor. Since there are no restraints imposed on its contents, The FIRST AMENDMENT provides the student body with a means of communicating criticism of the University and Law School policy, as well as praise for favorable conditions. It further provides entertainment, with cartoons, lampoon-type humor, articles of general interest, and special features.

Phi Alpha Delta

As one of the two legal fraternities in the law school, the Phi Alpha Delta is a member of the Willis Chapter. While it does have its social atmosphere, the Phi Alpha Delta places more emphasis on the intellectual area of the law school. A student in special need of specialized material for his studies would have a variety to choose from the PAD's.

The PAD's have had many members who are very active in other activities in the law school such as the Moot Court Team, SBA, International Law Society and others

Delta Theta Phi

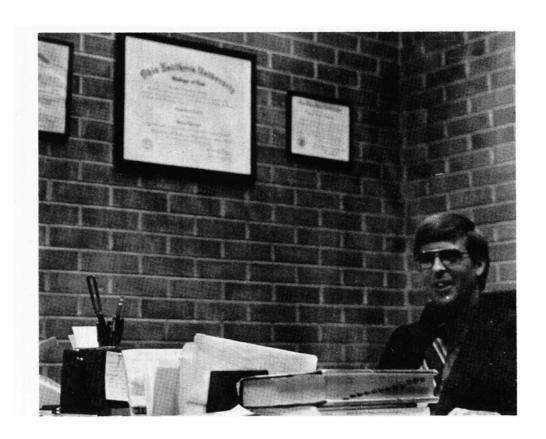

The Delta Theta Phi law fraternity is a member of the Marshall Senate. While the DELT's are concerned with the intellectual stimulation of the law student, they supply the law student with more of a chance for social relaxation with their classmates and the faculty. The DELT's have participated in the school's intramural programs each year with a team of their own. They also have been active in the organization of annual events such as a Half-Way Party to relax the student midway through his or her first quarter, and also an annual DELT-FACULTY Basketball game. The DELT's have also been active in the law school's Moot Court Team and various members who belong to many other organizations in the law school.

Signs of Spring

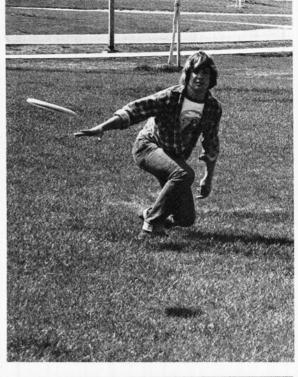

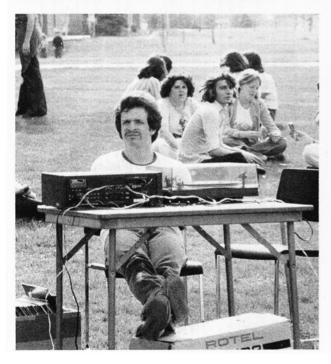

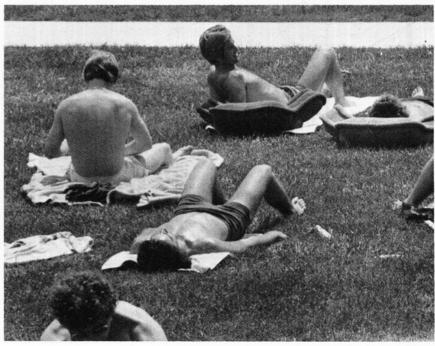

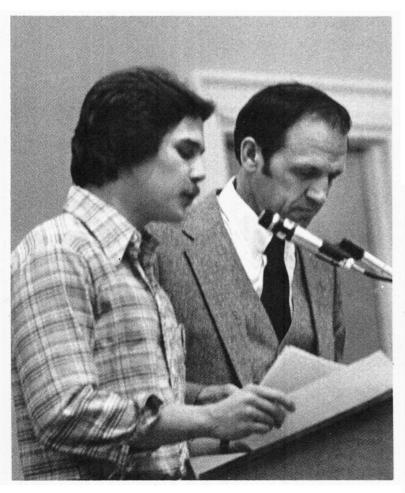

The '78-'79schoolyear was marked by numerous sudden resignations and firings of various faculty members and policy changes. The university was placed in turmoil as students become suspicious of the motives behind these actions. The sudden firing of Bernard Linger, Dean of the College of Arts and Sciences, brought the turmoil to a breaking point. Faculty meetings became practically a daily event as members tried to find ways to cope with an unpleasant situation. Senate meetings, under the direction of President Jim Brown and Vice-president Chris Ward, tried to answer the students' questions and provide a bridge of communication between the students and faculty. Students once again banded together to demonstrate their dissatisfaction with the current state of affairs. Even the media got into the picture as newsteams from the area newspapers and television stations came onto campus to dig out the "real" story. ONU's plight and questionable future became the topic of everyone's daily conversation for most of spring quarter. Finally, toward the end of the quarter, President Loeschner's own resignation was announced, thus shedding some light on ONU's future.

Movin' Out

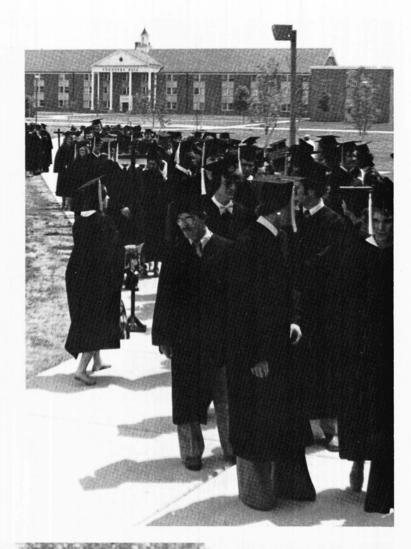

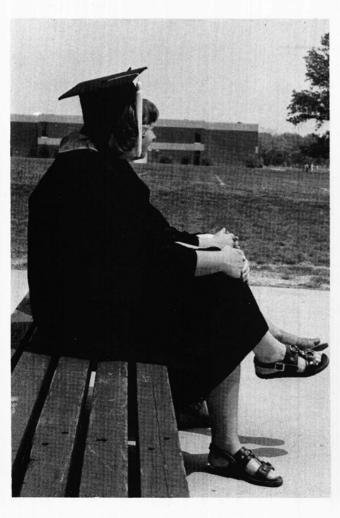

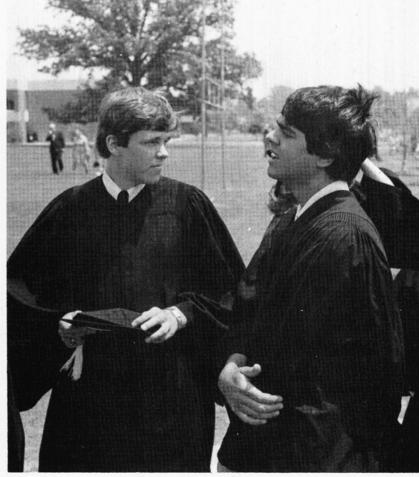

Commencement 1979

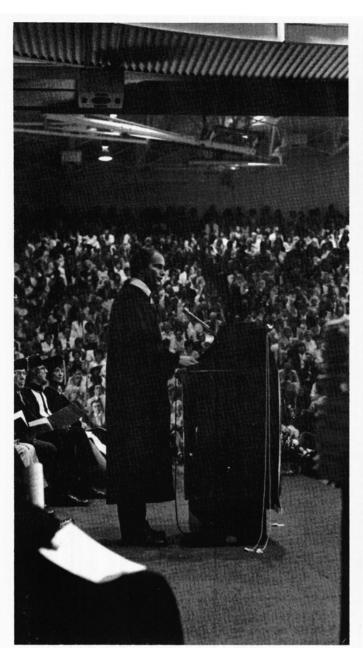

Ohio Northern's 108th commencement exercises were held on Sunday, May 20, 1979, in King-Horn Convocation Center. Bishop Dwight E. Loder of the Ohio West Area of the United Methodist Church was the speaker for the event. As the out-going Senate president, Mark Palmer delivered the response.

The event marked the end of four to seven years of good times and bad, late night studies, and plain hard work and left only memories for the graduates to savor.

Faculty And Administration Index

Once again, the Northern staff has put together a pictorial description of ONU's schoolyear. It may not be the most accurate description, but we did try which is quite admirable considering what we had to work with and the few people willing to work. A special "thank you" goes to those who did work; you know who you are.

As always, there are mistakes for it is nearly impossible to put a yearbook together without making a few mistakes. We apologize for the mistakes and unavoidable omissions; some things just did not work out as planned.

In spite of everything, my staff and I hope that you find the '79 Northern enjoyable.

Lisa Siegenthaler Editor-in-chief
